Raise Funds for Band, Chorus

Chorus director, Mrs. Mary E. Peerson, (l.) and Band Director Milton L. Potter, (r.) of Carl Sandburg High school, look on as Mrs. Valdemar Nelson of Palos Park sells the first chocolate bar to Sumner Scherubel of Palos Heights as a kick-off to the Sunday, Feb. 10 house to house canvass to be made by chorus and band members escorted by members of the Music Parents Association. Mrs. Nelson is ways and means chairman of the association and Mr. Scherubel is the president.

250 Attend Scout Banquet

Boy Scout troop 251 and Cub Scout pack 218 of Orland Park held their annual pot luck dinner and award meeting in the public school gym Saturday evening. There were about 250 Scouts and their families in attendance.

Robert Kaiser, senior patrol leader of troop 251 was master of ceremonies. Also participating in the program were the Rev. Robert Plastow, Joe Kaiser, Scout master; Roy Benson, Cub Scout master; Edward Schweiger, assistant; Ralph Town and Joe Caffy, Scout field executive.

Scout Charles Halvorson, of troop 251 led the Scouts and Cubs in the presentation and retiring of the colors.

Cub Scouts receiving one year pins were, Michael Ashum, Patrick Hodges, Arthur Horn, Jim Schweiger, Ted Ebeling, Ronnie Sterling, John Lang, David Wheeler, James Cruise, Steven Kowikis, James Walker and Joel Kelsey.

Two year pins were given to: David Hutchinson, Jerry Grosskoph, Richard Benson, Gary Delapenna, John Hutchinson, John Snyder, Wayne Klotz, Franklin Thoms and William Higgins.

About 50 Scouts and their fathers presented a Scouters drill with William Zinn and his son Jerry declared winners. William Zinn is Explorer advisor of the Scout committee and his son is in the Stag patrol troop 251.

Joe Kaiser directed a special event in which the Scout members demonstrated preparing slings, handmitts and leg splints. Harold Morlock led the group singing. It was a happy event and all enjoyed the activities.

Troop 251 members will leave Friday, Feb. 8 at 7:30 for the winter camp at Camp Roe. They will return Sunday when parents are requested to call for their boys at 8:30 a.m.

PLAN GAMES

The public is invited to attend the monthly games party on Friday, Feb. 8, in the St. Michael school auditorium. The games parties are held under the sponsorship of the Holy Name society and play is commenced promptly at 8:30 p.m. The school fund club drawing will take place during the evening.

United States President John Tyler was the father of 14 children.

Chocolate Bar Day Will Aid Students In Music Program

Members of the Carl Sandburg Music Parents association will escort students in a Chocolate Bar Day house to house canvass, beginning at 12:30 p.m. Sunday, Feb. 10.

The purpose in selling the chocolate bars, is to help provide instruments, sheet music and robes for the members of the school band and choruses.

The drive is being held under the leadership of Sumner Scherubel, of Palos Heights, president of the association; and Mrs. Valdemar E. Nelson, of Palos Park, ways and means chairman.

The Carl Sandburg High school opened September 1954. At that time Milton L. Potter directed both band and choruses. Due to the increase of students, Mrs. Mary E. Peerson took over the direction of the choruses last September and Mr. Potter is devoting his time to forming a cadet band in addition to the concert band.

The Music Parents association was formed to actively support the music program and give aid and encouragement where necessary. Many young people are desirous of participating in the music program and through community support on sales, the association is able to help in the expansion of band and choruses.

Pastor's Mother Dies In East; Hold Funeral Today

The Rev. Robert Plastow, pastor of the Orland Park Methodist church was called to Benton, Pa., Monday by the serious illness of his mother, Mrs. Susan Kile Plastow. He left by plane but his mother having died before his arrival.

Mrs. Plastow was born at Benton, Pa., Jan. 24, 1896 where she lived all her life. She is survived by her husband, Edward; four daughters, Mrs. Leah Litwiler, Mrs. Betty Byron, Mrs. Hester Kester and Mrs. Evelyn Fedin, five sons, The Rev. Mr. Plastow, Victor Delbert, Richard and Harold; 10 grandchildren and a brother Warren Kile.

Funeral services will be held in Benton this afternoon, Thursday.

Earliest New York houses were built of thick planks instead of logs as generally believed.

Orland Park to Have New Postoffice; Will Be Ready by August

Will Organize Caucus Monday to Pick School Board Candidates

A meeting is to be held Monday night, Feb. 11 at the Carl Sandburg high school, 133rd and LaGrange road, Orland Park to complete plans for a caucus system to select candidates for the high school board.

The meeting is scheduled for 8 o'clock and J. E. Pease, grade school superintendent at LaGrange and Donald Dixon, of Park Ridge, former chairman of the caucus plan there, will be the speakers.

LaGrange has been using the caucus plan for some time and frequently receives requests for the constitution and rules of procedure under which it operates, it was said. The League of Women Voters of Oak Lawn, which has been studying the caucus system for two years, also will have a representative present.

At the meeting Monday night it is planned to set up a caucus system in the Sandburg high school district, No. 230. Mrs. J. N. Yurtis, of Palos Heights, chairman of the Carl Sandburg PTA steering committee for the plan, will preside until a permanent caucus chairman is chosen by the delegates.

The delegates are to represent the non-political community organizations in the school district which have a membership of more than 20. Originally the number of members required was 25. Arrangements are also

Here You Are Guys, A Chance to Learn Cooking and 1st Aid

Whether you're devoted to aromatic wood chips or charcoal, broiling, roasting or smoking—if you're a male al fresco cook whose command post is the outdoor barbecue come the warm weather — attention! Barbecue cooking for men is one of the night new "into spring" courses being offered by the Palos-Orland YMCA.

Other courses planned by the program committee are: Hat making (good whether you just like to trim your own hats, or go all the way and design and make them); camera club (both for beginners and advanced hobbyists); golf instruction (the weather can't stay like this forever); adult orchestra group (you're opportunity to play without waiting to be asked); hi-fi (this course teaches everything except the appreciation of good music); landscaping (ask your neighbor—you may need it!); and first aid for the do-it-yourselfer ("construction-instruction" for home projects).

All courses must have a minimum of eight members. Person interested in any of them, should call Art Stejskal, program director, at Gibson 8-3888, and round up their friends to fill the quota. All instruction is given by professional people. The fee for the courses will vary, but will be established by the cost of the course, which will include the instructor and the materials necessary.

Animals with long legs also have long necks in order to reach their food without bending their knees.

Orland Park School Hires New Teacher

Orland Park grade school has hired a new teacher, it was announced by Supt. Norbert Jerling.

The new member of the faculty is Miss Tecla Mencari, assigned to the third grade as a replacement for Mrs. Elinow Gower. Mrs. Gower has resigned and is moving to Racine, Wis. where her husband has accepted a call as pastor.

Miss Mencari, whose home is in Chicago, is a graduate of the Northern Illinois State Teachers college at DeKalb from which she has a degree of bachelor of science with a major in education.

Miss Mencari

Her student and teaching experience was gained in the third grade in the Rockford school system. She is staying at the home of Mrs. Lila Pomeroy.

Miss Mencari began her duties at Orland Park Monday of this week. Mrs. Gower left for Wisconsin at the close of school on Friday.

When the new addition is built to the Orland school the board is expected to add other members to the faculty.

Gives Orland Park Police a Riot Gun

The Orland Park police department has increased its arsenal thru the addition of one 12 gauge pump gun, which was contributed by Albert Wheeler, police judge and operator of Kirk's Grill.

He had the barrel of the gun sawed off, thus transforming it into what is known as a riot gun. Loaded with buckshot and used at short distances it is one of the deadliest of weapons.

During the first year of a child's life he grows more rapidly than at any other time.

Orland Park is to have a new postoffice and if present plans materialize it is expected that the new building will be ready for occupancy by August.

The building is to be erected by the Orland Park Building Corporation on the shopping center site at 143rd and LaGrange road, where the Orland State Bank built its new home.

Mayor W. R. Schusser, Jr., who is a member of the Orland Park Building Corporation, received a letter from Congressman William E. McVey, of this district, this week stating that the corporation's offer to provide a building had been accepted.

"I am pleased to pass on to you," wrote McVey, "a copy of a letter that I received this morning from the regional director, postoffice department in Chicago, in which he advises me they have decided to accept the proposal submitted by the Orland Park Building Corporation for the new postoffice site for Orland Park."

The building will be erected according to specifications that are calculated to make for the easy handling of mail and leased to the government.

The present postoffice is located in the Davidson Building on Union street and has outgrown its space there.

Several months ago the postoffice department announced that it was seeking new quarters and invited those interested to submit plans for erection of a building that would be leased to the government.

The proposal of the Orland Park Building Corporation was the only one submitted.

Mrs. Knox Heads Campaign for Heart Fund

Mrs. Lillian Knox, 14310 Brook Ave., Orland Park, Illinois, has been named chairman of the Orland Park Committee in the 1957 Heart Fund Drive of the Chicago Heart Association. Mrs. Knox is organizing her committee for work on Heart Sunday, Feb. 24, which climaxes the Heart Campaign conducted thru February.

Overall campaign goal for Chicago, and the counties of Cook, DuPage, and Lake, is \$910,000. Of this, Cook County South is expected to contribute \$27,475, mainly thru the efforts of an army of volunteer workers who between the hours of 1 and 4 o'clock in the afternoon of Heart Sunday Feb. 24, will call on neighbors in their respective communities, giving each individual an opportunity to contribute to the campaign against heart disease.

"We are confident," says Mrs. Knox, "that each citizen of our community will be generous in supporting the cause that promotes education, service, and research in the interests of heart health."

The campaign slogan is "Welcome your volunteer on Heart Sunday, Feb. 24," and "Help Your Heart Fund Help Your Heart."

During the first year of a child's life he grows more rapidly than at any other time.

Chimney Sparks Start Roof Fire

Sparks from a burning chimney caused a roof fire at the home of Mrs. John Nielsen on Denny street, Mokena, Monday night about 11:30 o'clock.

The Nielsen family had not yet retired but was unaware of the fire until notified by a neighbor, Harley Gillette. Mr. Gillette saw flames coming from the chimney and showering the roof with sparks.

The Nielsen's attempted to extinguish the blaze by forming a bucket brigade but quickly saw that such a system could not cope with the situation and called the Mokena fire department.

Firemen had the blaze under control within a few minutes. It was reported that only a small hole was burned thru the roof and the damage is said to be covered by insurance.

Complaints regarding rubbish fires have been made to Mokena officials and the fire department, and at the village board meeting this week the trustees took action to curb unsafe fire habits.

When rubbish fires throw off sparks and embers that threaten neighboring property, the village board urges that persons who see the danger call Police Officer James Smetana at Mokena 5247, and action will be taken against the offenders. A legal notice to this effect is published in another part of the paper.

Board Accepts Zoning Ruling in Hartman Case

The Tinley Park village board accepted the recommendation of the Plan Commission that the request of George Hartman to rezone his property from R-3 residence to R-5 multiple housing, be denied.

The Plan Commission in their report stated Hartman was issued a permit to replace present flat roof on an accessory building with a hip roof, but that no blueprints were contained in the file. Further, that indications were such that the owner may be planning to use the building for living quarters.

If the quarters should be used for dwelling purposes, other than for domestics employed in the home, then Hartman would be in violation of the zoning or-

Dog Club to Hold Graduation Exercises For Training Class

The Blue Island Training club will hold graduation exercises for its novice class in dog training at 8 p.m. Feb. 12, in the Sander school gym, 13010 Division st., Blue Island. There is no admission charge and the public is invited.

There will also be a demonstration by the advanced class, who will show off their skill in hurdling, retrieving, scent discrimination and the most difficult feat of all, working on silent commands, where all of the exercises are performed on hand signals of their owners. In scent discrimination, the dog selects the proper item his master has handled from a collection.

Gets Degree

Sister Mary Remigia Smutnak, O.S.B. of the Benedictine convent, Tinley Park, received her Master of Arts degree from DePaul university, Feb. 3.

Details of her teaching career will be found on page 8 of section 2.

dinance, ie was stated. However, they pointed out that under the terms of the building permit he is not now in violation.

Hartman applied for a permit last October to make the foregoing changes to his garage. He was ordered to stop work on the building by zoning commissioner Frank Schneider, as being in violation of the ordinance. He then appealed to the Plan Commission to rezone his property.

The village clerk will advise Hartman to confer with Raymond Peiper, village attorney.

St. Jude Church Fund Campaign Goes Over Top

The drive for funds to build a new church for St. Jude parish, New Lenox, has been oversubscribed. Originally set for \$90,000 the fund has now reached \$129,000 and is expected to exceed \$130,000 when all prospects have been visited.

Success of the drive was reported at a meeting of committee chairmen, team captains and team workers held last night in the parish hall.

The campaign began last Thursday with a kick-off dinner at which team workers and others present pledged \$56,292 to the fund. Last Monday night the total had risen to \$72,672 and last night \$129,000 was reported.

The Rev. Denis Hall, pastor, and honorary chairman, and M. Z. Greenley, general chairman, expressed their appreciation of the efforts of the workers and sacrifices of the 300 families comprising the parish. Work on the new edifice is expected to begin this spring.

Student Council Adopts 10 Point Code of Ethics

Last week all classes of Bremen high school were informed of the newly formed Code of Ethics adopted by the student council. At the assemblies Bill Stoltz president of the student council, introduced ten speakers. Each presented to the student body one of the ten points of the new ly adopted code.

David O. Taylor, executive director of the "Fifth Codes of Conduct Conference for High School Students", to be held on Saturday, March 16, at Mandel hall, University of Chicago, says "It is thrilling to see how the young people have taken hold of this idea and are making it work."

The ten points of the Code of Ethics recently adopted are:

1. I will be fair and represent a fine example of honesty and loyalty.
2. I will honor and respect my parents, teachers, and all others responsible for my growing up to be a fine, upstanding citizen.
3. I will be prompt and meet every obligation, be it school-work or otherwise.
4. I will respect others' property whether belonging to the school or fellow students.
5. I will obey without question all rules of correct school procedure.
6. I will discourage to the best of my ability, all dishonest practices.
7. I will attend school in clean, neat, proper dress, and avoid extreme ornamentation.
8. I will personally take pride in my school, and strive to keep it neat and clean on all parts of the campus.
9. I will positively uphold all school, state and local rules con-

Orland Woman Heads Hospital Charity Ball

Mrs. Carl Olson, Orland Park, has been named chairman of the 1957 charity ball to be held Saturday night, March 2 in the Gold Room of the Congress hotel for the benefit of the Chicago Osteopathic hospital at 5220 S. Ellis ave., Chicago.

This annual affair is a dinner dance and is open to the public, Mrs. Olson said. Persons interested may obtain further information by calling Mrs. R. N.

Carl Barlows Will Celebrate Golden Wedding Sunday, Feb. 10

The children of Mr. and Mrs. Carl Barlow, of R. R. 1, Monee, will honor their parents Sunday, Feb. 10 by holding open house for them in honor of their golden wedding anniversary. The affair will be held in the parlors of St. Peter's Evangelical and Reformed church in Frankfort from 2 to 5 o'clock and all relatives and friends are invited.

Mrs. Barlow, 77, the former Ida Wilkins, was born in Green Garden township, the daughter of the late Mr. and Mrs. Peter Wilkins. Mr. Barlow who will be 80 in March, was born in Monee township, the son of the late Mr. and Mrs. Jacob Barlow.

The couple was married Feb. 6, 1907 in her parents home. They went to housekeeping on a farm in Green Garden, later moving to another farm which they had purchased in Green Garden township and where they still reside. They retired from farming in 1942, but are still active, raising chickens and gardening in summer. Both are in good health, enjoy reading and watching TV. Mrs. Barlow says her hobby is "keeping house" and doing various kinds of hand work. She is a life member of St. Peter's church, having been baptised and confirmed in the church, married by that church's pastor and both still attend church services there regularly.

They have a son, Wesley, Blue Island, and a daughter Mrs. Eileen Schmidt, Cathedral City, Calif., five grand children and one great grand child.

300 Attend 50th Anniversary of George Kochels

About 300 relatives and friends attended the open house Sunday afternoon in the Frankfort village hall in honor of Mr. and Mrs. George Kochel and their golden wedding anniversary.

The hall was decorated in gold and white paper streamers and gold and white wedding bells.

Mrs. Kochel wore a corsage of gold and white carnations and Mr. Kochel had a gold carnation boutonniere.

The serving table from which refreshments were served had a centerpiece of gold carnations and white snap dragons, and a three tiered wedding cake. Three nieces of the couple served: Mrs. Harry Voigt, Monee, presided at the coffee urn; Mrs. John Bisping, Peotone, served the cake and punch and Mrs. Earl Mundt, was in charge of the guest book.

Guests came from Peotone, Monee, Manteno, Grant Park, Bradley, Beecher, Momence, Steger, Homewood, Chicago Mokena, Joliet and Wannatah, Ind.

Many lovely gifts and cards were received by the honored couple who greatly appreciated everything.

Check stoves and heaters: Clean and check all heaters and have repair work done. Radiated heat from hot stovepipes, furnaces and stoves will char beams or partitions too near them, causing a fire that will damage or destroy the house.

Sandburg Seniors To Sponsor Valentine Dance at School

The Sandburg high school seniors are to sponsor a Valentine dance, appropriately designated as the Sweetheart Ball.

And while it is a valentine party it will not be held on Valentine Day, which is a week from today. Instead it is to be given Monday night, Feb. 11, in the school gymnasium.

Next Tuesday, Lincoln's birth day, is a holiday on the school calendar so a party on Monday night should not interfere with class work, it was pointed out.

Dancing is to be from 8 to 11:30 o'clock. A special orchestra has been engaged for the affair.

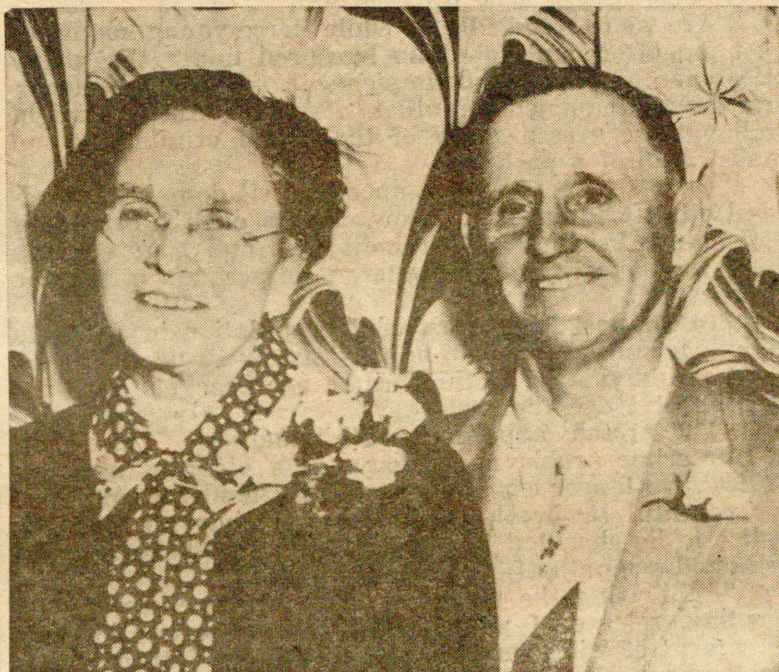

In a notice sent out by those in charge, girls as well as boys were reminded that this is to be a "dress up" party.

All members of the Sandburg student body, as well as members of the faculty, have been invited to the ball.

Coming Events

- Sat. Feb. 9, Public pinochle, euchre and buncos party, Grace Episcopal church parish hall, New Lenox, 8 pm. Prizes and refreshments.
- Sat. Feb. 9, Public card party VFW hall, Mokena, 8:30 pm. by VFW Aux. Prizes and refreshments.
- Thurs. Feb. 14, Swiss steak dinner, Methodist church, Tinley.
- Sat. Feb. 16, Mokena Lions Ladies night, Surma's restaurant Homewood, Rt. 45 & Dixie hwy.
- Fri. Feb. 15, Public card and buncos party, Weitendorf school 8 pm. Prizes and refreshments. Also bake sale in conjunction with the party.
- Wed. Feb. 20, Sauerkraut and roast pork dinner, 5 to 8 pm., Trinity Luth. school, 159th and Oak Park ave., Tinley Park, by Ladies Aid.
- Fri. Feb. 22, Luncheon and fashion show, Beverly Country Club, 87th and Western ave. 12:30 pm. by Altar and Rosary society of St. Michael's Catholic church at Orland Park.
- Sat. Feb. 23, Old Time Ho-Down St. Mary's new school hall, Mokena, 8:30 pm.
- Sat. March 2, Mokena PTA dance, school gym.

Wed 40 Years

Mr. and Mrs. Charles Cooper, Beacon st., Orland Park, will observe their 40th wedding anniversary Saturday evening, Feb. 9, in the form of an open house in the parlors of the Orland Park Methodist church. The affair will begin at 7:30 o'clock and all friends and relatives of the couple are invited.

3rd District Juniors of IFWC Hold Mid-Winter Meeting at Dolton

There will be music in the air tomorrow, Feb. 8, at the Roosevelt School, 146th and LaSalle in Dolton when the Third District Juniors of the IFWC hold their mid-winter meeting. Mrs. George Johnson, Fine Arts Chairman, has announced that the choral contest will be the major portion of the program for the evening. Those clubs which have entered are Beverly, Chicago Heights, Dolton-Riverdale, Home wood, Ivanhoe, Lansing and Morgan Park. The six remaining clubs who will supply talent acts are Brainard, Chicago Lawn Fernwood, Orland Park, Calumet City and Mt. Greenwood.

A distinguished group of judges have been selected for the affair. Mrs. Rose Grimes, a music teacher of Palos Park, Robert Hippensteel, director of the music department at Bloom township high school and Dean Sayre of the Musart School of Music and Dance in Chicago Heights will compose the group.

The thirteen American home departments under the direction of Mrs. George Phode, 3rd District chairman, will display the children's garments and toys for the Cook County hospital pediatric department which they have made.

At the same time the fine arts departments will display the puppets and scrapbooks they made for local hospitals.

Hostess clubs for the meeting are Brainard, Calumet City, Ivanhoe and Orland Park.

Mrs. John Bredesen, third district director, announces the appointment of Mrs. Kenneth Rotenbury, Chicago Heights, to the office of historian to fill the vacancy left by the resignation of Mrs. Edward Casbarra, Chicago Heights.

Membership Gain Wins Honors For Bremen Home Unit

Bremen Home Bureau has again received the gavel for having the highest percentage of net gain in membership in all Cook county.

Mrs. Richard Freund, past president, received the president's award for gaining the new members.

New officers elected were Mrs. George Smith president and Mrs. Robert Nelson, secretary.

A report on the annual meeting held at Conrad Hilton hotel Jan. 17 was given by Mrs. Richard Freund, Mrs. Menard Wroblewski and Mrs. George Smith.

A craft lesson, entitled "The Hat" will be held in March. This lesson is repeated by popular demand. One may call Mrs. William Lake at KE 2-4937 for information regarding date, purchase of materials, etc.

The Jan. 31 meeting was held in the home of Mrs. Anton Stech with 25 members present and two guests.

Feb. 28 is the date set for the next meeting at the home of Mrs. John Dotts.

Ann Therese Zuzag To Become Bride of Harold J. Toepper

Mr. and Mrs. Theodore Zuzag, N. Cedar road, New Lenox, announce the engagement and forth coming marriage of their daughter, Ann Therese, to Harold J. Toepper, son of Mr. and Mrs. S. J. Toepper of Peotone.

The couple will be married at a 10 o'clock nuptial mass Saturday morning March 2 in St. Jude's Catholic church in New Lenox, by the Rev. Father Denis Hall.

All relatives and friends are invited to attend both the wedding and the reception which will be held immediately after the ceremony at the Lions den.

The bride to be was graduated from Providence High school in Joliet, and is presently employed at the Chicago Car Inter-Change Bureau in Chicago.

Mr. Toepper was graduated from the Peotone High school, and is engaged in farming with his father, in Peotone.

Mrs. Olson

McBain, reservations and ticket chairman, at Kellogg 6-5656. All proceeds, it was stated, will be used to benefit the hospital and its low cost clinic.

Other members of Mrs. Olson's committee are Mrs. Don W. Craske, 2139 West 107th st., program; Mrs. Frank Trombley, Chicago, treasurer; Mrs. Jack Grant, Chicago, games; Dr. and Mrs. David Robinson, Oak Lawn, 1958 co-chairmen; Mrs. A. S. Guernsey, and Mrs. E. C. Borton, Chicago, junior auxiliary representatives.

Senior auxiliary representatives include Mrs. Michael Bauer, 10226 Oakley av.; Dr. F. A. Sharp; Dr. P. R. Lombardo, and Mrs. M. A. Tengblad, Chicago.

Dance Nets Tinley Firemen About \$3,600

Tinley Park citizens resonoded generously and bought 3,640 tickets for the volunteer firemen's dance, held in Saenger hall on Jan. 26. Net proceeds from the affair are expected to be above \$3,600, it was said.

The volunteers, who are on call 24 hours a day, without recompense, also work to raise money to buy equipment for the self supporting department, which is one of the best equipped anywhere.

Included in equipment just purchased is a Scott air pack, a breathing apparatus enabling firemen to enter smoke and gas filled buildings. Another one is on order.

Within the past year, the volunteers have bought 800 feet of hose, two 2-way radios and five fog nozzles.

Edmund Moss, fire chief, and his department are grateful for the wonderful support and co-operation of Tinley citizens, who always respond generously. The success, which can be verified by all who attended. The volunteers wish to thank all who made this possible.

Letters to the Editor

SCHOOL ELECTIONS

I read the article twice that appeared in the Jan. 31 issue of the Orland Park Herald about the Carl Sandburg PTA wanting to enlarge its field of possessiveness. They have gained some success in running the lives of their children (or have they?) their husbands and our teachers, the PTA ladies, —God help us —have now turned their sights on the school board. What next?

According to the article in the paper, there is to be a meeting this Monday night in the high school to form an organization to 'hand pick' candidates for the school board. Its backers call it a caucus system. Whatever it is called, according to my way of thinking, it smacks of (snobbery.)

I take it from that article that only the PTA and other organizations of the community are qualified to say whether a person is a fit candidate for a place among, what all of a sudden appears as 'hallowed members' of a sacred body.

It gives me the opinion that the backers of this caucus plan are convinced that our voters as a whole are a dim-witted lot and cannot vote intelligently unless they receive proper guidance. We have heard for many years, now in Russia, the people are given a list who they must vote for. That is good communism, and it seems to me this is like that but in a more 'candycoated' parcel.

This citizen of the Carl Sandburg district, who helps to pay for the school, cannot see anything wrong with our present system. . . . John Doe decides to run for the school board job. He goes to the clerk of the board and gets a nominating petition which he then proceeds to get signed by qualified voters. He gets it notarized and files it with the clerk. The board then views all petitions, and unless it shows on the face of a petition that it is a phony—and when has that ever happened here?—or the board has information from some other source that there have been some shenanigans afoot in its circulation or filing, the board members approve the petition and the clerk has the ballot made up.

There isn't anything complicated about this. It has served as well, so why the PTA or any other organization should get into the act is not clear to me. A school board member does not receive any compensation for his services. There is no salary, no fees, no expense account. Usually there isn't even a "thank you."

Persons who run for the school board position, usually do so because he or she is urged or drafted, or is strongly civic and community minded. I will admit that probably there have been candidates for school boards who have been anxious to make the race, in order to bushwhack a teacher, maybe a coach, or because he is mad at someone—group or individual—or because someone has dared him, as it were, but to my knowledge, that has never been done in this locality.

Serving on school boards is a thankless task that calls for much sacrifice, of time, patience and effort, and sometimes money.

As a general rule we get good candidates for our school boards and I see no reason why a caucus system should set up an FBI (fuss budget interference) to select and screen candidates.

The community and the schools have been doing all right and will, in the long run, be better off if these system people keep their caucus picking fingers busy with their knitting.

IRKED CITIZEN,
Palos Park

EDITORIAL

Urges Crackdown on Young Thugs

(This editorial, written by J. Edgar Hoover, FBI director, appears in the February issue of the bureau's law enforcement bulletin. It is reproduced here as a common sense view of a subject on which too many theorists prone to go off the deep end. Mr. Hoover advocates treating a criminal as a criminal, regardless of his age and to us that makes sense. He doesn't say so in this piece of writing but from the tenor of the piece we would surmise that the FBI chief would not quarrel with a suggestion that sound thrashing is more effective in curbing a tendency to delinquency than all the theories loosed on the world by an evergrowing mob of child psychologists.)

"Are we to stand idly by while fierce young hoodlums . . . too often and too long harbored under the glossy misnomer of juvenile delinquents . . . roam our streets and desecrate our communities? If we do, America might well witness a resurgence of the brutal criminality and mobsterism of a past era.

"Gang-style ferocity . . . once the evil domain of hardened adult criminals . . . now centers chiefly in cliques of teen-age brigands. Their individual and gang exploits rival the savagery of the veteran desperados of bygone days.

"In the past four years, while population in the 10 to 17 age group has gone up approximately 10 per cent, arrests of individuals in these same age brackets have increased at twice that rate.

"The present appalling youth situation . . . the crux of our crime problem . . . demands a vigorous new appraisal. No longer can we tolerate the 'tender years' alibi for youthful lawbreaking. This is certainly no time for police to be shackled by illogical restraints based on unreasoned sympathy for these young thugs.

"Publicizing the names as well as crimes for public scrutiny, release of past records to appropriate law enforcement officials, and finger-printing for future identification are all necessary procedures in the war on the flagrant violator, regardless of age.

"Local police and citizens have a right to know the identities of the potential threats to public order within their communities.

"Certainly, reasonable leniency for children committing first offenses and minor violations is a proper longer one of bad children but of young criminals. sideration. However, the present major problem is not

Gas Co. Offers Deal to Small Stockholders

When the Northern Illinois Gas Co. mailed out dividend checks last week end to about 45,000 holders of nine or less of its shares of common stock, it enclosed a letter giving details of the plan under which owners can round their holdings to 10 shares or sell their lot without paying the usual brokerage fees and other costs.

Stockholders owning 10 or more shares are not eligible to buy or sell under this plan, it was stated by Marvin Chandler, president of the company.

The plan will be in effect from Feb. 1 thru Feb. 18.

The letter explains that the plan is provided solely as a service to stockholders.

"We will not encourage stockholders to sell their shares or to buy additional ones," a company spokesman said. "If they do not wish to participate in the plan, they need take no action and we will be glad to have them continue as stockholders.

Full-time dairy farmers in northern Illinois average 61 hours of farm work a week, according to figures from the University of Illinois College of Agriculture.

—o—
A University of Illinois farm economist predicts that average size of Illinois farms will increase and small farms will be more intensively operated.

Special Safety Program to Feature Alcoa Hour Sunday

A dramatic message to all automobile drivers will be telecast on the Alcoa Hour, Channel 5, NBC-TV, Sunday night, Feb. 3.

The Alcoa hour is departing from its customary format to bring to the nation this special highway safety program, a moving documentary account of a fatal highway crash, appropriately set over the past Christmas weekend when the all time holiday fatality record was set. In the program, the Aetna Driver-trainer plays a key role in detecting the faulty habits and poor judgment that led to the fatal accident. This unique driver training device was developed by the Aetna Casualty and Surety company, and is now being adopted by an increasing number of high schools throughout the country in their driving course.

BREMEN PTA

Bremen community high Parent Teacher association, member of the newly formed high school council, district 19 plans a meeting on the Bremen code of ethics for 8 p.m. Wednesday, Feb. 13, at the school.

Ten members of the Bremen student council will present the topics. Those participating are: Sue Hupe, Evelyn Brown, Joan Rybicki, Karen Tomes, John Beman, John Case, Preston Wakefield, Tom Price, Russ Callahan and Mark Padley. Hostess towns for the evening will be Hazelcrest and Homewood.

Tinley PTA

The Tinley Park Parent Teacher association, member of the Southwestern Area council, district 19 met Feb. 1 with the vice-president, Mrs. Hal Kent presiding.

Colors were presented by Intermediate Girl Scout troop 97 and 334, and the invocation was given by the Rev. Earl Finney of the Tinley Park Baptist church.

The nominating committee presented the following slate of officers for the coming year: Mrs. Elmer Knudsen, president; Mrs. Jean Schmudde, vice president; Mrs. Kathy Goldstrom, secretary and Mrs. Hazel Best, treasurer.

The executive board presented two recommendations which were approved by the membership. They were: the purchase of two additional cat-walk climbers for the Bert Fulton school, and the presentation of \$350.00 to be used for the purchase of band instruments for the Tinley Park school.

The room count award went to Mrs. Marion Kluge of the Bert Fulton school and Miss Ann Dowling of the Tinley Park school.

Mrs. Walter Fierke, president of the Southwestern Area council announced the study course which is now in progress each Wednesday morning at the Tinley Park school. This is open to all PTA members and especially officers and chairman. The next council meeting will be Feb. 26 in the Harding school in Posen.

Supt. Walter Fierke announced a school election March 2 with the following three issues to be on the ballot:

Construct an addition to the Tinley building; issue bonds, and increase education tax from \$1.11 to \$1.25.

The polling place will be in the Tinley Park school from 12 noon to 7 pm.

The collection taken was sent to the national congress to be used for extension work.

Mrs. William Fletcher, historian, presented the Founders Day program with the following past presidents honored who were also present: Mrs. John Swisher, Mrs. Edward Henke, Mrs. William Kester, Mrs. Walter Johnson, Mrs. Burley Anfield, Mrs. Ruth Bacon, Mrs. E. B. Campbell, Mrs. William Kopp, Mrs. Voris Miller and Mrs. P. L. Jochum.

A humorous skit presented by fathers entitled: "What the PTA Means to Me" was received by the membership with a round of hearty applause. Those participating were: Phil Dykstra, William Fletcher, Don Klingamon, Robert Rich, Harry Schmidt, Hal Kent and Elmer Knudsen. Mrs. Irma Schmidt directed the playlet.

Hostess for the evening were mothers of fourth grade students

VFW POST

Bremen Post 2791, Veterans of Foreign Wars, will hold an open house the evening of Feb. 12, in the club rooms.

A film will be shown on the operation of the NIKE installation in Orland and explained by one of the personnel of NIKE.

During the evening awards will be presented to winners in the teen Christmas bowling tournament.

The public is invited to attend.

Illinois swine producers can select for meat-type replacement hogs by (1) visual selection, (2) meat-type certification by purebred breed associations or (3) the Illinois probe-and-weigh method.

Park Forest Merchants to Give Couple Trip to Famed Mardi Gras

A free, all-expense trip to New Orleans during the 1957 Mardi Gras will climax the first annual Mardi Gras of Values to be held by the merchants of the Park Forest Shopping Center, Feb. 14, 15 and 16. On Saturday, March 2, some lucky couple will board Delta Airlines Flight No. 183, "The Flying Scot," and on that same day be met in New Orleans by a Happiness Tours agent to begin several days visiting New Orleans at its most exciting time.

Everyone entering the Park Forest Shopping Center is invited to register at any participating store from Feb. 8 thru Feb. 16th. Special boxes will be provided for the deposit of entry blanks.

The winning couple are assured a wonderful time in New Orleans. Under the guidance of a Happiness Tours agent they will see both the new and old sections of New Orleans, the latter largely being the famed French quarter. The lucky pair will have reserved seats at the famous Krewe of Rex and Zulu Parades. They will have a wonderful trip on a traditional river boat and be guests of Happiness Tours at a Mardi Gras Dinner Dance in the Tulane Room of the Jung hotel.

One whole day has been set aside for the winning couple to explore New Orleans on their own. At this time, they can revisit those places that have interested them most, or visit new, out of the way places missed in the regular tour.

The Park Forest Merchants Association has gone all out to make this truly an expense free trip and a truly memorable one. They have been assured by both Delta Airlines and Happiness Tours that the winning couple will enjoy a comfortable and exciting vacation.

Bremen High School Notes

Freshman Election

From over 30 candidates, the freshman class of Bremen high school, chose their class officers last week. The freshman class elections are always held at BCHS during the early part of second semester of the school year in order that the students have a chance to become acquainted with one another.

Those elected to office were: Jeanette Rizzuti, president; Roberta Trump, vice president; Carol McBee, secretary and Pat Sabin, treasurer.

Miss Betty Butkus and Mr. William Hoener, freshman class sponsors, will aid the new class officers in planning the freshman party to be held in March.

Thomas A. Edison was dismissed from a job as a young man for sleeping while on duty.

Herbert Hoover is the only man of Swiss descent to be president of the United States.

LINCOLN ESTATES

A Community Fun Night will be held Saturday, Feb. 9 starting at 7:30 pm. at the Ann Rutledge school in Lincoln Estates.

Games are being planned and box suppers will be auctioned off.

The next meeting of the Ann Rutledge PTA will be held Feb. 11, 1957 at 7:30 in the school in Lincoln Estates.

The 4th, 5th and 6th grades under the direction of Mrs. William Davidson will present the program. All parents are cordially invited.

One whale yields little whalebone since it is taken from his jaw.

The farther north a bird summers, the farther south it will winter.

Kitchen Utility Board

EVEN in the most modern kitchen, a utility board for Mother's convenience is a necessary item. A handy one is about 20 by 24 inches, cut from Masonite Tempered Presdwood, the hardboard that is splinter-free, extremely smooth and moisture-resistant. It won't absorb odors, either, and can be cleaned easily with a damp cloth.

Such a board, with its corners rounded and edges lightly beveled with a sandblock or file, has various uses in the kitchen and about the house. One of the common ones, a pie board, is illustrated. Here are some of the other uses for a kitchen utility board:

To protect table tops from extremely hot dishes or from being scratched by sharp cutlery.

As a sandwich or salad board.

For cooling hot pies or cakes.

For a lapboard on which to write letters or jot down menus.

As a mat on the kitchen range.

As a surface for cracking nuts or doing small kitchen repairs.

As a tray for clearing the dining room table.

Completed work on Governor William G. Stratton's 1956 highway construction program totaled \$98,000,000 at the close of the year.

In making this announcement the governor said the completed projects included improvements of various types on almost 1,000 miles of state highways. They comprise 108 miles of new concrete pavement, 307 miles of bituminous concrete resurfacing on existing roads, 126 miles of widening and 423 miles of bituminous surface treatment and gravel resurfacing.

In addition, 74 new bridges were widened.

The 1956 work brings to approximately \$376,000,000 the

amount of road and bridge construction completed during Governor Stratton's first term.

Presidents Meet

Rudolph Schmoock, 176th and Highland, Tinley Park, president of Local 4719, United Steelworkers Union, CIO, is shown here (right) shaking hands with David J. McDonald, president of United Steelworkers of America, at a recent conference of union brass at Pittsburgh, Pa. Mr. Schmoock is an arc welder at the Bedford Park plant of Bethlehem Steel Corp. He has been a resident of Tinley for the past 20 years. Mr. Schmoock is married and has three children. The picture carries an autograph of McDonald which does not appear in the cut.

Tinley Personals

The handicraft division of the Helping Hands 4H club held a craft lesson Jan. 26 in the home of their leader Mrs. Leroy Bauman. The class worked on aluminum etching.

Mr. and Mrs. Robert Johnson and family and Wally Martinez of Chicago were guests Sunday of Mr. and Mrs. Charles Schara. Mrs. Min DeChant of New Lenox visited Mr. and Mrs. Bernard Hartman Sunday.

Mr. and Mrs. Walter Sokolowski of 18055 S. Sayre ave. attended the graduation of their niece, Gayle Brege from the Helen I. Pierce school in Chicago Jan. 30. She was awarded a special merit award for having been a student teacher for two semesters.

Master Sergeant Robert E. Robinson has retired from the service of the United States Army after 20 years of service. He saw military service over seas and the last five years has been a ROTC instructor at DePaul university. He is now associated with the Ideal Metal Products company in Chicago. Mr. and Mrs. Robinson and their two children live at 17320 64th ct., Tinley Park. Mrs. Robinson is the daughter of Mr. and Mrs. Fred Sturmer.

The Tinley Park Garden club will meet Thursday, Feb. 21 in the home of Mrs. Amanda Nielsen for 12:30 desert luncheon. The annual valentine exchange will be held. Members unable to attend will please notify the hostess.

Word has been received that Mrs. William Woods of Naples, Fla. has been released from the hospital and is slightly improved. Mrs. Woods is the mother of Mrs. Russell Bettenhausen.

Allen Verhage had the misfortune to meet with a serious eye injury while skiing in Colorado recently. Latest report is that the sight of the eye is returning. He will not be flying for some time however.

Mr. and Mrs. Frank Graf of 17559 Ridgeland ave., Tinley Park celebrated their silver wedding anniversary January 26 with an open house for friends and relatives at St. George school hall. Celebrating with their parents were three daughters, Mrs. Eleanor (John) Gorman of Mokena and Marianne and Carol Louise Graff.

Charlene Carpenter is convalescing nicely following a tonsillectomy.

Mrs. Bernard Kutilek, recent surgical patient in McNeil hospital, Berwyn, has returned home and is feeling as well as can be expected.

Mr. and Mrs. Robert Koski have added a fourth daughter to their family. She was born Feb. 1 in Silver Cross hospital, weighing six pounds, 12 ounces. She has been named Cecelia Therese.

Mr. and Mrs. Henry Javor were guests of her father, Michael O'Leary at the Golden Jubilee celebration dinner dance of the Knights of Columbus, held at

the South Shore Country club Saturday evening. Mr. O'Leary is one of five remaining charter members.

The Rev. and Mrs. E. Jerry Walker were dinner guests of Mr. and Mrs. Harold Zobac Tuesday evening.

Phillip I. Javor has entered the South Shore hospital for observation.

Health Group to Elect Officers

Notice is hereby given that the annual meeting of the Will County Health Improvement Association (that sponsors Blue Cross, Blue Shield hospitalization) will be held on Monday, Feb. 18, 7:30 pm. in the Farm Bureau conference room, 59 W. Clinton st., Joliet.

Election of officers and directors will take place and transaction of business which may come before the meeting.

Mr. and Mrs. Earl Keniston of Manhattan, will give a travelogue on their recent trip to the West Indies. Mrs. Harold Scheer, HIA president, will be retained to revise the zon-

ing ordinance, as a stop gap measure while the work of revision is proceeding.

Special recognition and prizes will be given to solicitors who worked on the recent drive. Refreshments will be served. Special invitation is extended to members and solicitors.

Plan to Amend Cook County Zoning Law

(CNS) A public hearing on proposed amendments to the county zoning ordinance will be held at 9 a.m. Feb. 15 in Room 535, County Bldg., Clark and Randolph streets, Chicago.

The amendments to be considered provide that certain kinds of business may be located only after public hearing on each application. These include trailer camps, drive in theatres, junk yards and garbage dumps.

Changes were recommended by Harry F. Chaddick, who has

Knights, Eagles Divide Cage Bill

Sandburg's Varsity Defeats L-W 63 to 56 But Frosh-Soph Lose

BY-FRED KIESLAR

The Lincoln-Way basketball teams split a double header with Carl Sandburg on the Knights court last Friday night. The Knights varsity lost 63 to 56 while the Lincolns frosh-soph won a thriller 28 to 27.

Lincoln-Way has three more games to play before the tournament season begins, two conference tilts and the other with Peotone. Of these games only the final one, against Rich will be played on the Knights' home floor.

The absence of Morris "Red" Wade from the Lincoln-Way line up hurt the host team's chance against Sandburg. Wade has a sprained ankle that will keep him on the bench the remainder of the season.

At the end of the first quarter of the varsity game found Sandburg leading 13 to 12 and at half time Lincoln-Way was on top 30 to 28 but in the third quarter the Knights scored but 13 points to Sandburg's 18. The Eagles outscored the Knights again in the last period 17 to 13 to make the final count 63 to 56.

Denny Wheeler and Henry Jesses with 16 pointss each were top scorer for Lincoln-Way. Hill of Sandburg was high man with 23 tallies.

In the frosh-soph contest Sandburg hopped off to an 8 to 4 advantage at the close of the first quarter but at the half the score was even, 16 to 16. The end of the third frame found the count still even, 20-20. With 13 seconds to go in the final quarter Sandburg was ahead, 27 to 26, when it was called for traveling. Yunker passed in to Porick who flipped to Sorrell and Sorrell passed to Hughes who dropped the ball thru the net to put Lincoln-Way in front 28 to 27 and there the game ended. Sandburg tried one of those desperate heaves from mid-court just as the final horn sounded but the shot was short.

Ron Sorrell was high man for L-W with 11 whtheFsr,r9seeMit L-W while McBride's 10 points were tops for Sandburg.

Tomorrow night, Feb. 8, the Knights will meet Oak Lawn on the Spartans' court, the first game starting at 7 o'clock. Oak Lawn high school is located at Southwest highway and 95th street in Oak Lawn.

Orland Grade School to Hold Cage Tourney

The Orland Park grade school will be host at a basketball tournament to be played there the nights of Feb. 15 and 16.

Four teams are entered, Palos Heights, Frankfort, St. Michael's parochial school at Orland and the Orland grade school.

Frankfort and St. Michael's are pitted against each other in the first game which is scheduled for 7 o'clock the evening of Feb. 15. Orland Park and Palos Heights will play the second game about 8 o'clock.

Winners and losers from the first night will play for first, second, third and fourth places the second night, the battle for third and fourth place will start at 7 o'clock.

Pupils are now selling tickets in the community and ducats also may be obtained at the door.

Sis Has Great Year

Lakeside Sis, owned by P. H. Kipp, of Tinley Park, had a great year as a 2-year-old and her accomplishments were recognized recently at a dinner of the Trotting Horse Association dinner at the St. Nicholas hotel in Springfield, Ill. Sis carried off second honors for the year and an award signifying such was presented to Mr. Kipp at the dinner.

Conference Will Hold Annual Mat Meet at Sandburg Feb. 14-16

Followers of wrestling in the Southwest Suburban high school conference will see all the teams in action next week at Carl Sandburg high, 133rd and La-Grange rd (Rout 45).

The annual conference wrestling tournament will begin next Thursday night, Feb. 14, at 7 o'clock. The finals will be held on Saturday, Feb. 16. There will be a card in the afternoon on that day, starting at 2 o'clock, and one in the evening, beginning at 7:00.

There are seven school in the conference. Some have frosh-soph mat teams as well as a varsity squad but not all have sufficient material.

Each varsity team is made up of eight men and with that number, plus a flock of frosh-soph teams, it is easy to see why preliminaries are necessary to thin out the ranks.

No standing is carried on the wrestling teams during the regular season. Ranking of teams is decided by results of the tourney.

Braves Take Brace Of Basketball Tilts; Both Double Wins

BY CRAIG FOSTER

The Bremen Braves whipped a good Evergreen Park basketball team last Friday night in a conference tilt, 84 to 73.

This was a long wild game in which 61 fouls were called and seven men fouled out of the game.

The game began with a bang. Bremen going to the front with junior forward Dale Hartwig blazing hot. The first quarter ended 20-15 in Bremen's favor. In the second quarter Hutchinson and Rheinhardt Udil started hitting and Evergreen forged ahead at the end of the half 46-45. Hartwig continued his deadly accuracy and collected 19 points in the first half.

In the second half Hartwig cooled off a bit, but Richard Tindall took up the slack. Jerry O'Neill and Bill Birkhead were benched with four fouls apiece but Paul Meents and Luke Smith both turned in capable performances for the Braves. The third quarter ended 64-64.

The last quarter was a mad scramble. O'Neill and Birkhead came back long enough to foul out. Richard Schaefer was the only Evergreen first stringer not to foul out of the game for that team. Bremen salvaged enough of the shambles to win 81-73.

Dale Hartwig led the Braves in scoring with 31 points, and Richard Tindall with 18 points. Hutchinson had 18, Schaefer 17, and Udil 16 for the Evergreen Park five.

Bremen's frosh-soph got their fourth straight win in the opener. The score was 58-50.

Bremen dominated most of the way, except for a short time in the third quarter.

Leading scorers for the opener were Jim Mannaioni with 24 points, and Bob Rodgers with 13.

On the next night, Feb. 2, the Braves edged Elmwood Park 82-77 on the Braves' court in a non-conference game that went into overtime. The Braves overall record is now even, seven win and seven losses; however, they have won five out of the last seven games.

Junior forward, Richard Tindall, played a sensational game, sinking 14 straight charity tosses and was a key factor in Bremen's desperate rally in the closing seconds to tie the score 70-all at the gun. The Braves had been trailing by 14 points at one point.

In the overtime Bremen jumped off with eight quick points and coasted in from there. Richard Tindall was high point man with 28, Dale Hartwig 21, and Gary DuBois 16.

In the curtain raiser the frosh-soph knocked off the Elmwood Park junior five by a score of 63-42.

The little Braves controlled the ball most of the way and frustrated Elmwood's defense with a balanced attack. A last quarter freeze by Bremen kept down the score.

Bob Rodgers led the Braves' scoring with 14, Jim Mifflin 13; Dennis Tattum also scored 13; Jim Mannaioni 12 and Wally Eggert 11.

Sportabout

Jack Maypole

Here's real news for you boating fans—the Chicago National Boat show will start its 10-day "cruise" at Chicago's International Amphitheatre Feb. 8. A fleet of 700 pleasure craft, the largest indoor flotilla ever assembled will be on view.

Displays of boating equipment and services will cover more than 7½ acres of the newly-enlarged exposition hall. Highlighting this gigantic marine display will be the exhibits of 150 boat builders. These manufacturers will offer boats ranging from an 8 foot pram to a 43 foot inboard cruiser. Filling the middle ground in this spectacular boating panorama will be 67 cruisers, 498 outboard runabouts, 24 sailboats, 45 inboard runabouts, 24 canoes and rowboats, and 42 inboard cruisers

Whether Dave Zechlin, of Frankfort, a member of the Lincoln-Way basketball squad was successful this time in adding two points for his home team is not recalled by the photographer but its for sure that he was giving it the old school try. This picture was taken in the L-W gym last Friday night during the game with Sandburg. Sandburg won it. (Semmler Press Photo)

Sandburg Wins Quadrangular Wrestling Meet With 89 Score

Sandburg high was the winner as well as the host school at a quadrangular wrestling meet last week. Other schools participating were, Lockport, Kankakee and Streator.

Sandburg won five first places to three each for Lockport and Streator. Kankakee had one first. Sandburg collected a total of 89 points; Streator, 78; Lockport, 75 and Kankakee 45.

First place winner were: Sandburg: Janulus, Gibson, R. Chatlosh, B. Chatlosh, Borre. Streator: Wonders, Clark. Lockport: Brown, Jungles, and Reiter.

Kankakee: Brousseau.

NINE FOR EAGLES

Sandburg matemen polished off Oswego high in decisive fashion. The Eagle varsity racked up 36 points to 11 for their opponents. The Sandburg frosh-soph wrestlers also won 30 to 21.

Varsity results:
95—Pfeiffer and Plaskos, draw
103—Janulus (S) pinned Petkus
112—Liston (S) beat Bundy
120—Kontos (O) beat Semetis
127—Haag (O) beat R. Chatlosh
133—Hoiser (S) pinned Schlitz
138—Zinn (S) pinned Way
145—Gorman (S) beat Boram
154—Goch (O) beat B. Chatlosh
165—Borre (S) forfeit
175—Jaklich (S) beat Condon
Hwt. Heiy (S) pinned Wilke
BOW TO THORNTON FRACT.

Sandburg wrestlers who have been tossing their opposition all over the lot suffered a double defeat at the hands of Thornton Fractional mat talent.

The Thornton varsity won 24 to 17 while its frosh-soph team took Sandburg 37 to 15.

Varsity results:
95—Pfeiffer (S) beat Komdrowski

193—Webster (TF) beat Janulus
112—Liston (S) beat Morrison
120—Zimmerman (TF) beat Semetis

127—Stockle (TF) pinned Switzer

133—Zinn (S) beat Bonig
145—Schultz (TF) beat Gorman
154—O'Laughlin (TF) pinned B. Chatlosh

165—Berwanger (TF) beat Borre

175—Jaklich (S) beat Schultz

Push Baseball Plans at Orland --Want Lights

At an organizational meeting held in the American Legion hall at Orland Park officers were selected to direct the baseball program for youngsters in that community this year.

There will be a Small Fry team, which takes care of boys up to 13 years of age, and a Babe Ruth loop for youngsters of 13 to 15. Plans also are in the making for a Colt league entry for lads from 15 to 18.

Jerry Eckert was elected chairman of the group, Elmer Libner, vice chairman; Kenneth A. Halvorson, secretary-treasurer; William Zinn, manager and Bob Hewson, assistant manager.

The organization plans extensive improvements to promote the baseball program, and hopes they can include installation of lights on the playing field.

With this in view the organization naturally is exploring various avenues to finance its plans. One means of raising money that has been adopted is the sale of an ad book. The group also is to sponsor a game night next Thursday, Feb. 14, at Legion hall to which the public is invited.

The organization's next meeting will be held the evening of Feb. 19 at Legion hall, and any father or other man interested in the welfare of the boys of the community is invited.

two more cards at Sandburg. Leyden high will have teams there next Tuesday afternoon, Feb. 12, at 1 o'clock.

The finale will be the big one, the Southwest Suburban conference meet, next week. The preliminaries will be run off a week from tonight, Feb. 14 and the finals on Saturday, Feb. 16., 2 o'clock and 7 o'clock.

Sandburg varsity wrestlers have had a good season with 9 wins, four losses and one draw.

Blasts Officials for Laxity In Enforcing Traffic Laws

In a speech at Boston last week, a midwest safety authority blasted law enforcement officials for laxity in the death of over 40,200 persons on the nation's highways last year.

Richard O. Bennett, speaking in Boston before the annual meeting of the American Mutual Liability Insurance Company's Institute for Safer Living, said "We've been concerning ourselves too long with only drivers and pedestrians in traffic safety. Should we not examine the reasons why public officials fail to do the things they know will control traffic accidents? It is high time that we give a little attention to those who have the authority and the opportunity to control traffic accidents but do not," Bennett said.

Accusing some public officials of "dragging their feet" on traffic law enforcement, he said "What about the judge who handles traffic cases? Is he selfishly dishing out small fines, suspended sentences and giving outright dismissals to insure himself a long judicial life?"

Bennett, Director of the Automotive Division of the National Association of Automobile Mutual Insurance Companies, said some judges try to enhance their personal reputations by being suckers for a sob story.

He questions whether some members of the bench striving to be "fair" take into consideration many things not connected with the traffic violation. "Does he discriminate between offenders on the basis of economic level—whether they have an attorney—or whether a drunk driver could make a living if his license is revoked?"

Police officers who give "passes" to traffic violators who are polite and tickets to violators who "squawk" also came in for criticism by Bennett. "Within all probability, the polite violators actually committed the of-

fenses for which they were stopped—but having been apprehended frequently they have learned to 'worm passes' out of policemen," Bennett said.

He asked whether some officers fail to see violations because they dislike to have people punished or don't wish to go to court on their own time.

Motor vehicle license examiners also were criticized for giving unfit persons driver's licenses out of "sympathy".

Bennett told members of the Institute that all sorts of excuses have been advanced for not doing a good job of controlling traffic accidents. Too much horse power in cars, poor highway designs, public apathy, teen age drivers and speed demons have been blamed, Bennett said.

"Everyone of these is a lame excuse. Excuses are diversionary. They focus attention away from potential solutions like enforcement."

Bennett said the three "E's" of traffic safety—education, engineering and enforcement are all important—but that enforcement, applied everywhere vigorously would be immediately effective in reducing accidents.

He urged mayors and governors as Commanders in Chiefs of their jurisdictions to declare "war" on highway accidents with a long range, intelligently administered law enforcement program. But he urged proponents not to be disheartened by early failure or public resistance.

"It took a long time for the automobile," Bennett said, "to accomplish the chaos which exists today and it's going to take a long time to straighten it out."

The Boston Herald and the News Review of Riverhead, New York, were jointly honored by the Institute at the meeting for their outstanding service last year in the safety field.

Put Your Lazy Walls to Work

If you're short on storage space in your home (and who isn't these days?), try putting lazy walls to work with western pine built-ins that are easy to construct and add warmth and interest to a room.

Building a living wall can be a do-it-yourself project, if you're reasonably handy with tools.

Western pine paneling is noted for its workability and its ability to take any kind of a finish, enabling you to produce any effect you like.

However, if you don't want to tackle the construction, you can get a lot of satisfaction out of just doing the designing.

For a living room, for example,

a desk can be a valuable part of a living wall. Surround shelves with an interesting frame, and you'll show off your collection of old glass, knick-knacks, or trophies to best advantage.

Living walls can be made in any room and to fit any need. In addition, the wide range of choices in western pine paneling—knotty or clear, light, medium, or dark—gives scope for individuality.

Sandburg Students Visit Atomic Laboratory

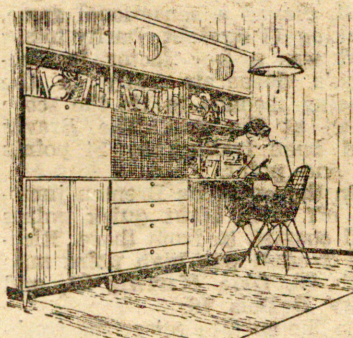

Forty-five students accompanied by Donald Hopkins, science teacher, of Carl Sandburg high school, Orland Park, visited the chemistry building on a recent tour of Argonne National Laboratory. Here they are seen leaving the chemistry auditorium on their way to the research reactor. (Argonne National Lab. Photo)

Recreation Room Divider

FOR materials costing under \$75, the amateur craftsman can build for his home a good looking, well designed recreation center that serves also as a room divider.

The unit has three roomy cabinets behind sliding doors, a four-drawer chest, shelves and a

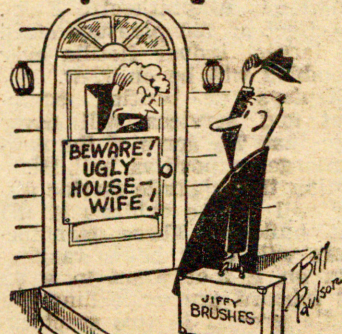

bar cabinet. It provides room for a high-fidelity phonograph and speakers. It has a built-in desk for writing letters and for a family business center.

The entire back, formed of Masonite "Peg-Board" panels, may be used for displaying photographs, pictures, dishes or other decor.

Made of lumber and Masonite Presdwood, the combination unit has style, utility and beauty.

For a free plan detailing how to make this unusual combination project, write the Home Service Bureau, Suite 2037, 111 West Washington St., Chicago 2, Ill., requesting No. AE-314.

MOKENA

Mokena 3521-4151

FOR INHALATOR CALL MOKENA 2121

Miss Elizabeth Rinke returned Sunday afternoon from a months visit with her niece, Mrs. Marie Shutt and family at San Leandro, Calif.

A daughter was born to Mr. and Mrs. Gerald Walters, 817 Sherman st., Joliet, in St. Joseph hospital. The baby weighed seven pounds and has been named Kathleen Lynn. She is welcomed home by her brother, David Bruce and by her grandparents, Mr. and Mrs. Walter Welsch of Mokena.

Mr. and Mrs. Paul Wagner of Chicago have purchased the Delbert Lillwitz home, 193rd st., Sunny Acres and moved there this week. The Wagners have three daughters, Kathryn, 7, a student in St. Mary's parochial school, Janet, 5 and Carol one. Mr. Wagner is a beef grader at Swift & Co., Chicago.

Many friends and relatives called at the home of Charles Geuther last Sunday afternoon to help him celebrate his 92nd birthday.

Mrs. Vivienne Shoop and family attended the funeral Saturday of Mrs. Della Gillette, great grandmother of the Shoop children, held in Aurora.

The Women's Guild of St. John's church which meets each Tuesday to make cancer dressings, report they are short of material. If anyone has white material, such as worn sheets, pillow cases, table cloths etc., they would be grateful for them. They can be taken to the home of Mrs. Harold Spiess, Front st., or at the church next Tuesday, Feb. 12.

Mrs. Mildred McMillan attended the 25 year club banquet given by the Hanover Fire Insurance company, last Wednesday night held in the Union League club in Chicago. Mrs. McMillan has been an employee of this company for the past 30 years. She was also elected secretary of the club for this year.

The Jolly Neighbors gathered in the Henry Clark home Saturday evening to help her father Frank Brockman celebrate his 80th birthday. The occasion also marked the 23rd wedding anniversary of the Clarks. Present were Mr. and Mrs. Jack Schaub, Mrs. Helen Scheer, the Rev. and Mrs. William Rieman, Mr. and Mrs. Earl Stellwagen and Mrs. Dorothea Roesner all of Mokena and Mrs. Gusta Kahur of Niles, Michigan. Everyone enjoyed playing either cards or Scrabble. Refreshments were served.

Mr. and Mrs. Jack Hall of Plainfield are parents of a son born Monday Feb. 4 in St. Josephs hospital, Joliet. He weighed eight pounds and has been named John Andrew. Mrs. Lee Guthrie of Mokena is the paternal grandmother.

Mrs. John Hubler entered Silver Cross hospital Monday for treatment of her neck, which has been causing her much pain of late.

Neil Erdmann, 9 year old son of Mr. and Mrs. Roy Erdmann, Front st., who was a patient in Silver Cross hospital suffering with rheumatic fever has been taken to the Bob's Robert Memorial hospital in Chicago for treatments.

Mr. and Mrs. Wilbur Buske have sold their home on 194th to Mr. and Mrs. Robert Floyd, of South Wolf road. The Buskes moved Saturday into the home of her mother, Mrs. Marion Sizer.

SCOUT NEWS

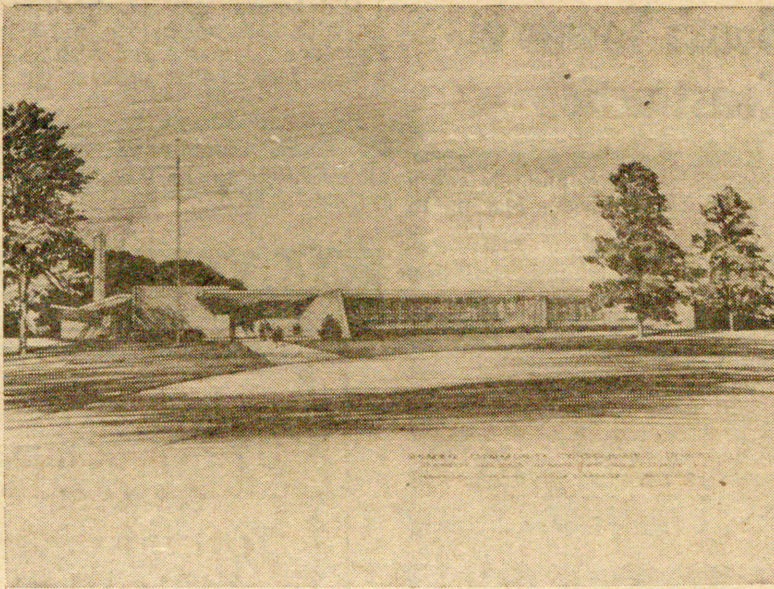

TINLEY PACK 272

The first pack meeting of the new year was held by Tinley Park Cub Scout 272 Jan. 29 in the Tinley Park School. Good activity in the Pack is indicated by the number of achievements recognized at the meeting.

Wolf Badges—Robert Buettner, Paul Haas, Robert Hayes, Peter Tworek; gold arrows, Bob Buettner, Brian Smothers; silver arrows, Richard Brown Richard Carlson, Robert Enzenbacher, Jack Naughton, Gregory Warner, four.

Bear badges—Robert Enzenbacher, Thomas Murray, Leo Poundstone, Bruce Smothers. Gold arrow, Robert Enzenbacher.

Proposed New School For Homer

This building has been designed by architects Kruegel, Wilkens, Healy and Moore of Joliet especially to meet the needs of the newly formed Homer Consolidated District 33-C. A building of this type will facilitate basic education for children enabling them to meet requirements in higher education fields more readily. Children will be offered a curriculum comparable to that of city schools with room for music, gym, and research work.

A perspective of the inside of the building reveals five classrooms 32 feet by 24 feet and a multi-purpose room which can be made into three class rooms if needed. Plans include an office, health room, boy and girl lavatories, storage closets, janitor's room and a PTA kitchen. The overall dimensions of the building are 168 feet by 53 feet and it is designed with an adequate heating system for future additions.

The board of directors, Russel

Lauffer, Ray Carlson, Everett Holm, Owen Ott, Joyce Purdy, Merrit Cagwin Sr., and Robert Burch have devoted much of their time and effort to put forth this plan and other accomplishments before the public since their election last summer.

The five one room school districts of Homer township, Goodings Grove, Ross, Wells Corner, Barnett and Hadley were consolidated following an election last spring. An election of directors followed and they immediately assumed the responsibilities of these five schools.

A special election will be held at the Homer Town Hall this Saturday, Feb. 9 for the purpose of (1) Choosing a site for the school on a five acre plot on Homer Road next to the Homer town hall, one quarter mile south of route 7 at an estimated cost of \$3,000 and (2) issuing \$130,000 school site and Building bonds. The polls will open at 12 o'clock noon and close at 7 pm.

Orland Park School Notes

TEXTILE EXHIBIT by Thomas Scheber of the 6th grade.

On January 30, 1957 the 3rd grade of Orland Park public school put on a textile exhibit for grades 1st to 8th. One grade at a time went to the 3rd grade room for the exhibit.

One of the 3rd graders gave an introduction and passed around samples of cloth. Then the students reported on different textiles and with pictures showed the various processes in making them.

First they showed cotton, second linen, third silk and fourth, wool.

The 3rd grade then sang the Waving Song.

Then the 3rd grade showed the fifth textile which was rayon, sixth was nylon and the seventh fibre glass. Then they explained how to tell the different textiles.

Next the various classes returned to their rooms.

BEN FRANKLIN

LOCALLY OWNED - NATIONALLY KNOWN

Well? It Certainly Is

This is an unusual photograph of an unusual subject. The subject is a D-D well, dug and deep and you don't hardly see them kind no more. It is 50 feet from the top of the stones lining the excavation to the bottom where lies a pocket of spring water. Just how deep the water is has not been ascertained. Wells today are drilled but years ago they were dug and lined with stone. The one shown here is under what was the pantry floor off the kitchen in the house owned by Miss Elizabeth Rinke on Front st., Mokena. Most dug wells did not go so deep. Digging a hole 50-feet deep was a laborious task as all the earth had to be hauled to the surface in a bucket. It was dangerous work too because of the possibility of the walls caving. A well digger was really in double jeopardy, digging the well and then building the lining of stones. Miss Rinke has sold the property to her brother George and his wife, and the house is being converted into two modern apartments. The well had been in use up to the time remodeling operations were begun. Robert Berls, plumbing contractor, is now bringing village water into the house and will plug the well with a concrete cap. Taking the picture so one could see the depth posed a problem that the Semmler Newspaper photographer Marvin Smith solved by the use of "slave lamps." These lamps carry a large size flash bulb that thru electronic gimmicks are set off at the same time the camera shutter set off the camera flash gun. The "slave lamps" were let down on cords so their flash would light the bottom of the well.

Bremen Leads South Towns in Construction

(CNS) The northwest suburbs, Bremen township, and the south side of Chicago were leading in building activity according to figures last week.

The Cook county building and zoning bureau reported that for December, Bremen township, southwest of Blue Island, had 71 permits with a total valuation of \$1,088,700.

The next four townships in order were northwest suburban: Maine, 49 permits for \$741,900; Northfield, 39 for \$879,500, and Palatine, 22 for \$332,500.

The Chicago Title and Trust Co. announced that for 1956, the south side of Chicago led for the third year with 31 per cent of all city real estate sales with title guarantees, followed by the northwest side, with 21.9 pct., the southwest side, 18.2 pct., west 11.7 pct.; North, 9.3 pct. and central, 7.9 pct.

In the suburbs, the company found the west suburbs most active, with 34.5 pct., followed by north, with 18.9 pct., northwest, 17.3 pct., southwest, 15.1 pct., south 14.1 pct.

As to prices of new homes, the company found in city and suburbs combined 35.5 pct. were below \$17,500, compared to 32.5 in 1955, while 34.4 pct. were between \$17,500 and \$22,500, an increase of 2 pct. Above \$22,500 was

30.1 per cent, with 16.8 pct. below \$27,500, an increase of 4.6 pct.

Old homes were much cheaper, with 24.4 pct. below \$12,500. However this compared with 34.4 pct. in 1955 in that price range.

Farm landowners may qualify for social security under new amendments to the social security law in 1956.

A University of Illinois farm economist predicts that prices of Illinois farms with highly productive land will hold steady during 1957.

By using x-rays, soil scientists at the University of Illinois can identify practically all of the different chemical elements in a soil sample in about 45 minutes.

Keenan Would Rid Tax Rolls Of Odd Lots

(CNS)—County Assessor Frank Keenan is mapping plans to save the County \$500,000 a year. There are an estimated 100,000 odd shaped lots called worthless real estate by Keenan. These are long delinquent "freak" parcels left over from street ends or improvements, but of such odd sizes and shapes as to be completely worthless for improvement purposes, Keenan said.

Every year tax bills are sent out on these properties, but are never paid because they are not worth much to the owners. It costs the county about \$5 to send a bill out on each of the lots. Keenan feels this is a waste of money and he is devising a method to get these properties off the tax rolls.

There are many legal complications involved and to help him with this phase of it, Keenan, Monday, announced the formation of a 5-man committee of civic leaders to advise him on this and other matters Keenan wants placed before the Illinois general assembly.

Committee members are Robert Cushman, director of the Citizens of Greater Chicago and past president of the Civic Federation; Newton C. Farr, a leading Chicago realtor and YMCA trustee; Gilbert H. Scribner, Jr. president of the Civic Federation; and Thomas J. Drennan, a top Keenan aid also is a committee member.

The committee will place particular emphasis on preparing legal language to clarify procedures regarding exempting religious and charitable institutional property.

Rush of Claims Floods Social Security Office

Social Security went into high gear during the first two weeks of January when 284 claims for benefits were filed. This is about 100 more than the average for weeks according to Harold Whiteside, manager of the Joliet Social Security Office. Nearly all of the additional claims were from farmers, he said.

"In spite of the increase in the number of employees in the office it has not been possible to keep up with the work," Whiteside said. "It will take between two and three months to start making payment to people who are filing their claims now."

The payments, of course, will begin for the month the person qualifies for them. All applications are retroactive for a year, if necessary.

Whiteside said that there are a number of things people can do to help complete their claims. Here are some of the most important:

1. "Bring the withholding tax slip along for proof of the 1956 wages. If you are retiring from a business or from the farm, wait until you file your income tax return to file a claim for benefits. Bring an extra copy of the 1956 tax return and the proof of payment of the taxes when you come in to file your claim.
2. "Bring some proof of your age. Do not obtain a birth certificate if you do not already have one.
3. "Wait until you actually retire before filing your claim. Women between age 62 and 65 must wait until the month they want their benefits to start to file their claims."

The joint relief action on behalf of Hungarians by 52 National Red Cross Societies in the world has become the biggest undertaking by Red Cross since the North Sea flood disaster of 1953 which hit The Netherlands, Great Britain and Belgium.

"Henri Dunant Peak" in the Tezoulaig mountain range, French Sahara, was named after the Red Cross founder in 1936 by his grandnephew, Dr. Edward Wyss-Dunant who was the first to climb the mountain.

Participates In Marine Maneuvers

Marine 1st Lt. Donald P. Brown, son of Mr. and Mrs. Paul A. Brown, of 8100 135th st., Orland Park, participated in an amphibious ship to shore exercise with the 3rd Marine Regiment of the 3rd Marine Division on Okinawa Jan. 25.

Part of the landing forces hit the beach using small landing craft, while other Leathernecks hopped over the simulated beach defenses in helicopters to an inland site.

This vertical envelopment concept, developed first by the Marine Corps, provides a landing force with a powerful one-two punch for securing a beachhead.

Court Denies Wife's Request For Cash Hunt

(CNS)—A Hinsdale woman who suspects her husband has \$500,000 cash hidden in a basement on Chicago's south side failed to get court permission Monday to search for it.

"I have no precedent for a case like this and so cannot authorize a search," said Superior Judge Harry G. Hershenson.

The woman is Mrs. Irene J. Preis, 43, who lives in a \$150,000 home on Route 1, Hinsdale. She told the court her husband in 1952 had \$240,000 and she knows because she counted it, she added—stashed away in tin containers in a hidden wall compartment of his office building at 4520 S. Ashland ave., Chicago. She estimated the total may be as much as a half-million dollars now.

Her attorney, Charles Cooley, said she's entitled to half of it.

Her husband is Dr. Eugene K. Preis, 47, of 5424 S. Mozart, a physician, said to be in ill-health and recuperating in Florida.

His attorney, Harold Marovitz

opposed the money search.

Judge Hershenson agreed, but ordered Dr. Preis to be in court Feb. 18 for questioning about his assets in an alimony hearing, and also a request by Mrs. Preis for \$1,000 in "special household expenses."

Mrs. Preis is suing for divorce charging cruelty.

A \$500,000 alienation of affection suit filed by Mrs. Preis is pending in circuit court. It charges three of her husband's friends interfered with their marriage. The couple was married Oct. 14, 1934 and separated Sept. 19, 1956. They have two children, a 19 year old daughter and a 3 year old son.

Mokena R.N.A.

The Mokena Royal Neighbors will hold their annual installation of officers at their meeting, to be held in the VFW hall Tuesday, Feb. 12 at 8 pm.

The New Lenox camp will do the installation. New officers will be: Eleanor Kraus, oracle; Mildred McMillan, vice oracle; Viola Hostert, past oracle; Ollie Mast, chancellor; Myrtle Cooper recorder; Margaret Seal, receiver; Dorothy Fulton, marshal; Edna Young, assistant marshal; Clara Schmidt, inner sentinel; Myrtle Walsh, outer sentinel; Anna Hensel, manager; Alma Peterson, musician; Emma Bisgrove, flag bearer. Graces: Evelyn Moss, Elizabeth Warning, Norma Boyce, Marilyn Cooper, and Dolores Barenz.

Following the meeting a social hour will be enjoyed with refreshments.

Sportsabout

More pre-view notes on the Chicago National Boat Show which opens at the International Amphitheatre on February 8 for a week's run.

You outboard boating fans are going to get a thrill when you see the many new features of the 9-model 1957 line produced by Johnson Motors of Waukegan. Hearing the Johnson line is the 35-horse-power Golden Javann. The new 18 and 35 hp models are replacing last year's 15 and 30 hp models and are available with either electric or manual starting and have removable hoods, full gear shifts, snap-on remote control fastenings and full silencing.

The 1957 offering in the line of aluminum boats is the 15-foot Super C, manufactured by Alumacraft Boat of Minneapolis. It has a recessed forward deck with a full or walk-through center deck. Seats are full upholstered and it comes with polished gunwales, spray rails and deck coamings. A curved windshield, running lights, and steering wheel are optional equipment.

I wish I had space enough to tell you of the many other attractions you'll see at the Boat Show. If you are planning to attend, please look me up and let me show you around. You'll find me at the Maypole Boats and Motors display. And remember the date—Chicago National Boat Show—week of Feb. 8-17—at the International Amphitheatre in Chicago.

And now for our winning sports question. Here it is—sent in by J. McD. It's about Bobby Jones and his golf triumphs.

Q. "How many times did Bobby Jones win the British Amateur, the U.S. Amateur, and the

THE ORLAND PARK HERALD
Thur. Feb. 7, 1957 Sec. 1 Pg. 15

NOTICE

In an effort to encourage safe fire habits, all residents of the Village of Mokena are urged to report the burning of rubbish or other combustible material by any individual or business after dark, or at any other time if any such fire endangers neighboring property.

Reports should be made to Village Officer James Smetana, phone 5247, who will investigate such fire reports promptly and issue arrest warrants if such action is indicated under appropriate village ordinances.

JOHN SCARTH,
Village President,
Mokena, Ill.
Feb. 7, 1957

National Open?"
A. Bobby Jones won the British Amateur in 1926, 1927 and 1930. He won the U.S. Amateur five times—in 1924, 1925, 1927, 1928, and 1930. He copped the National Open four times—in 1923, 1926, 1929 and 1930. You'll notice he won all three in one year, 1930, and then he retired.

I'm sending Mr. McD a sports gift for that question and I'll be glad to send you one for YOUR question . . . if it's judged the best we receive. Sit down today and send yours—here's the address: Jack Maypole—Sports Talk—218 East Ontario Street in Chicago.

(Hear Jack Maypole daily (MF) at 8:40 a.m. over Radio Station WJJD).

Public and parochial schools enrolled in the Junior Red Cross program last year numbered 71,000.

Contributions from 39 countries were made to the American Red Cross for relief of victims of the 1937 Ohio Mississippi Valley Flood.

Fireplace care: Use a wire mesh screen in front of fireplace. Be sure the fire is out before you retire or leave the house. Sparks from unguarded fireplaces can start serious fires.

WILL ORGANIZE—

(Continued from page 1)
made so that persons who want to be delegates to the caucus but are not members of an organization can become such by getting a petition signed by 25 or more. Such petitions may be obtained from Mrs. Yurtis, Gibson 812563. Each organization is limited to two delegates and one alternate.

A spokesman for the PTA said that 60 organizations have been invited to send delegates to the organization meeting of the caucus next Monday night. How many organizations will participate probably will not be known until the meeting itself.

At the meeting Monday temporary rules of procedure will be adopted, and an executive board and nominating committee named. Then a date will be set for another meeting at which the nominating committee will present its list of candidates for the Carl Sandburg high school board to the delegates for final selection.

The school election is to be held April 13. For a person to get his name on the ballot he or she must file a petition with the clerk of the board. Petitions must be filed not earlier than Feb. 27 or later than March 23. Caucus candidates must file petitions too but the work will be done for them, it was explained.

Those backing the caucus plan say its function is "to seek candidates best qualified by training, personality and interest in schools to serve on the school board; to maintain, by a definite selection of candidates, the present high standard of its board members; to enlarge the field of selection thru delegate representation of the entire school district and to support caucus candidates in the election campaign."

The committee is hopeful of a large attendance at the organization meeting Monday.

F. A. Schmaedeke, Life Resident of Tinley Dies

Fred A. Schmaedeke, 77, a life long resident of Tinley Park area, died suddenly in his home, Vollmer road and Ridgeland ave. Monday.

He was born Dec. 20, 1880 in ich township, and is survived by several nieces and nephews.

Removal was made to the Hirsch chapel in Tinley Park.

Funeral services are being held this afternoon, Feb. 7 at 2 o'clock in the St. Paul's Ev. Lutheran church with the Rev. John W. Petersen officiating. Burial was made in the church cemetery.

Boy Scouts Open Annual Fund Drive In Orland Park

During National Boy Scout Week, Feb. 6 to 12, the Orland Park Boy Scout finance campaign will be held in a house to house canvass for contributions.

The money derived from this annual fund drive is used to provide adequate overnight and summer camps for scouts, to train adults in leadership and provide professional guidance.

The Boy Scouts are celebrating the 47th year of its founding. Scout leaders are hoping Orland Park citizens will respond generously to this worthy cause.

Notre Dame Stars Charms To Entertain Holy Name Society

Football players from Notre Dame University and the Barbershoppers, local choral group will entertain members of the St. Michael Holy Name Society at 8 p.m. Monday, Feb. 11, in the church basement.

The Notre Dame stars who will make their appearance are, Jim Morse, Paul Hornung, Sheril Sipes, Den Studer, Ed Sullivan and Gene Hedrick.

Refreshments will be served.

Illness Fatal to H. Paul Schmidt, Rites Wednesday

Following a short illness, H. Paul Schmidt, died Saturday in his home, 17601 Oak Park av., Tinley Park. He was born Dec. 21, 1899 at Muskietine, Ia., and lived in Tinley Park for the past 18 years. He was employed by the Rock Island railroad as a signal engineer. Removal was to the Hirsch chapel in Tinley Park.

Mr. Schmidt was a member of the Mt. Calvary lodge, No. 85 A. F. & A. M., the Zephath Consistory and the Shrine, Medinah Temple.

Surviving are his wife, Lauretta, a daughter JoAnn Schmidt, Chicago, a son Paul A., Eldorado, Ark., and three grandchildren.

Funeral services were held in Tinley Park Methodist church Wednesday afternoon with the Rev. Glenn Ames officiating. Burial was in the Tinley Park Memorial cemetery.

Hold Funeral for Marvin Lockwood At Tinley Park

Last rites were held in the Hirsch chapel in Tinley Park Monday afternoon for Marvin Lockwood, 48 who died Jan. 31.

Born in Chicago, July 1908, he moved with his parents, Mr. and Mrs. David Lockwood to Mokena when he was three years old. He attended the Mokena public school and when he was 11 years old, the family moved to New Lenox where they had built a new home. Several months ago he underwent major surgery, and had not been in good health since.

Surviving is his father, Santa Cruz, Calif., twin sister, Mrs. Marion Carlson, Riverside, Calif. and sister, Mrs. Ruth Clyde, Arcadia, Calif. His mother died in 1941.

Funeral services were held in the Hirsch chapel with the Rev. Glenn Ames, pastor of the Tinley Park Methodist church officiating. Burial was in the Orland Memorial cemetery.

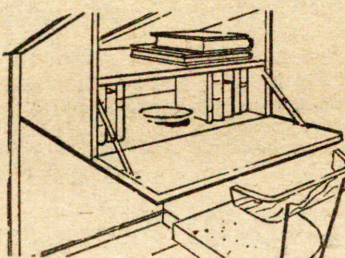

United States postal money orders were first issued during the Civil War.

Remember Desk in Attic

IN MODERNIZING an attic don't forget the advantages of a built-in desk, like the one shown in the illustration. Construction is simple, but the framing should be installed before covering the rafters with panels.

Actually, this is a desk plus two storage shelves. The door may be made the same height as

the space between the shelves or it may extend above the top shelf. In the latter case, you'll protect the contents of the shelf and have a larger writing surface.

Both the desk door and the shelves are made similarly, by forming frameworks of 1 by 2-inch lumber, fastening them together with corrugated metal, and gluing Masonite 3/16" Tempered Presdwood to both sides.

A permanent material for covering attic rafters is Masonite Panelwood, a hardboard that's easy to work, quick to install and long lasting. Available at lumber yards, it comes in 4 by 8-foot panels which go up in a hurry with a minimum of fuss and muss.

For a free plan showing the desk and other plans for modernizing an attic, write to the Home Service Bureau, Suite 2037, 111 West Washington St., Chicago 2, Ill., requesting No. AF 297.

Tinley Library Adds New Books

The Tinley Park Community library will be open as usual on Lincoln's birthday, Feb. 12, from 3 to 5 p.m. and on George Washington's birthday, Feb. 22, from 7 to 9 p.m.

The library has on order 300 new juvenile books, a few of which are classics, but the majority are of recent publication.

The committee are presently studying a library structure, which could eventually become a part of the permanent building. To raise funds for this purpose, a dance is being planned for May 11, in Saenger hall.

For mystery fans, there are the following new adult mysteries on the shelves: "Dream of Poison", Armstrong; "Patrick Butler for the Defense", Cott; "Basle Express", Coles; "Hickory, Dickory Death", Christie; "Man on the Rope"; "Suddenly a Widow"; "Top Assignment", all by Coxe; "Widow's Web", Curtiss; "Faceless Adversary"; "Voyage Into Violence", Lockridge; "Seven File", McGovern; "Unhappy Hooligan", Palmer; "Hunt the Man Down", Pearson; "Inspector Queen's Own Case", Queene; "Crimson in the Purple", Roth; "Murder in Haiti", Vandercook; "The Gazebo", Wentworth.

New biographies on the shelves are "Blessed are the Debonair" by Margaret Case Hariman and "The Idea of August" by William Haygood.

Proposes Dam To Stop Floods

Pace Associates, village engineers, have drawn up a plan to alleviate flooding conditions in the north section of Tinley Park. John Kausal, village engineer, presented the plans to the village board at the last meeting.

The plan proposes to construct a type of dam of earth and concrete to retain the flood waters of the creek. The estimated cost is \$2500.00, including a portable pump.

When plans are completed, the village engineers will accept bids on the proposed work.

Stars and stripes in the American flag, were suggested by the coat of arms of the Washington family.

My Neighbors

"Did you hear that? 'Shoot if you must this old gray head. But spare your country's flag,' she said."

PARK FOREST, ILL.

Across The Counter . . .

Last year over a million 1/4 inch drills were sold. Yet not a one of the purchasers wanted a 1/4 inch drill — what they really wanted was 1/4 in. holes!

Likewise, many thousands of people in and around Blue Island, buy insurance policies each year. Undoubtedly you are among them.

What you really want, however, is not an insurance policy, but PROTECTION. Are you SURE you are getting it?

"Protection" comes only to those who carefully select the right coverages in the proper amounts. Merely buying "a policy" doesn't mean you'll get protection.

That's why it PAYS to put your insurance problems in the hands of a professional insurance agency. Such an agency can render skilled help, based on years of experience, in making sure your policies will deliver PROTECTION.

So get the "protection" you think you are buying. Visit our office and talk things over.

We will see that you are not just "insured" but "protected!"

Dedicate Directional Sign at NIKE Site in Orland

Officials from surrounding communities were guests of Lt. Col. Fred L. Ross, commanding officer of the 13th AAA Missile Bn., at the recent dedication of a directional sign at the Junction of U.S. Route 6 and 108th ave., which serves as a guide to the NIKE site. Following the ceremony the visitors had lunch in B Battery dining hall. Standing on the left of the sign is Mayor Walter R. Schussler, Jr., of Orland Park, and next to him, wearing a cap, is Fred Yunker, Orland township supervisor. Immediately to the right of the sign is Mayor Frank Jeffords of Tinley Park, and next to him is Lt. Col. Ross.

Whiteside

assistant farm adviser

This is the time of the year when basketball is in full swing. In many schools these teams are made up of town and country boys. The coaches have teamed them up so they can work together and win games.

We likewise have a community team between our businessmen and farmers.

Most of us have been so busy with our occupation that we haven't told our teammates the facts about ourselves.

Farmers might think some of their city cousins have it pretty soft with holidays, short work weeks and weekends off.

City folks might think that all the farmers have to do is harvest crops.

I'm saying there is an important growing relationship between city and rural folks.

We farm folks haven't told our story too well. We haven't told that a 1900 pound steer makes only 444 pounds of retail beef. Or that there is only 30 pounds of fancy steak on a 1000 pound steer.

We haven't told that farm operating costs have climbed to \$1.10 for each \$2 of farm investment. Just 40 years ago operating costs were in a ratio of \$1 for each \$7 of farm investment. This means that if opportunity does

not come right, the American farmer of today can go broke in 2 to 2½ years compared with 7 years it took when farming with horses.

We haven't told that the only times agricultural prices were above parity was during war periods.

We haven't told that during the last 15 years our production has gone up faster in agriculture than in industry.

We haven't told that from 25 to 40 percent of our economy is related to agriculture.

We haven't told that the dairy farmer receives only about a third of the price of a quart of milk even though he has to own all the cows, fight all the diseases, own the buildings, produce the feed, manage the breeding program, milk cows seven days a week and above all produce a quality product which is highly perishable.

We haven't told that for each 10 percent increase in supply that price decreases around 20 percent. Actually we have less than a 6 months safety supply of corn beyond our current needs.

Farm costs output and size and farm population have been going down.

Some one has said "If outgo exceeds your income, then your

upkeep will be your downfall".

Agriculture is a biological industry. Weather conditions can cause unforeseen changes in agriculture.

Yes, our farmers are furnishing high quality food and fiber for our whole economy. We have a story to tell. We will be telling it all year long. We hope you will read it with interest.

Are your electric motors on a regular maintenance schedule? If not, now is a good time to start. It may surprise you to find out how many of these tire-

less servants you have around the home and farm. Tying a tag to the motor lead with information on last date of inspection, while.

Come in and take our "POWER TEST"

Trucks for every job, from the world's most complete truck line—½-ton pickups to 90,000 lb. models.

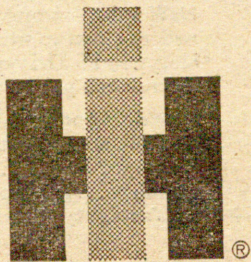

You know INTERNATIONAL's reputation for usable power.

Now here's your chance to see what's back of this reputation—to test this power yourself!

You're invited to take one of our INTERNATIONAL Trucks and give it the works. Try it under the most rugged conditions you can think of. Put it through tests that would make your present truck strain and shudder. This way, you can see for yourself how INTERNATIONAL handles the tough jobs.

Be sure to test the truck long enough to convince yourself that INTERNATIONAL power is power without strain. This kind of power means lowest operating and maintenance costs over the years.

We'll be happy to set up a test any time. Come in or phone soon!

Over the years **INTERNATIONAL TRUCKS**

cost least to own! (and owners' cost records prove it)

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

Cub Scout pack 41 of Lincolnwood Hills met Tuesday night, January 29 at the Schmuhl school.

The program for the evening was based on the Pack's theme for the month, "Eyes in the Skies."

Scoutmaster Vernon Newsome was present, and presented the following awards: Bobcat, Stephen Wright and Fred Cortright; Silver arrow: Mike Newman and Randy Konkel; Denner award: Eddie Meyers.

The meeting date for den 1

of Cub Scouts has been changed from Saturday afternoon to Monday, when the boys will meet after school at 4 o'clock in the home of their den mother, Mrs. Leonard Konkel and assistant, Mrs. Richard Pokorny. Refreshments were served after the meeting by Dr. and Mrs. Ralph Wright.

Mr. and Mrs. Clare Newman and family had as their dinner guests Sunday, her parents, Mr. and Mrs. Benjamin Shuldes, her grand mother, Mrs. Mary Shuldes, and aunt, Mrs. Anna Davis, all of Chicago; the occasion being in celebration of Mrs. Newman's birthday.

Dinner guests of Mr. and Mrs. Michael Orey and family Sunday were Dr. and Mrs. Leo Murski and children of New Lenox, and a fraternity brother of Mr. Orey's, Mr. and Mrs. Robert

Barnes and children of Cozad, Neb., who stopped for a visit, while enroute to their new home in Georgia.

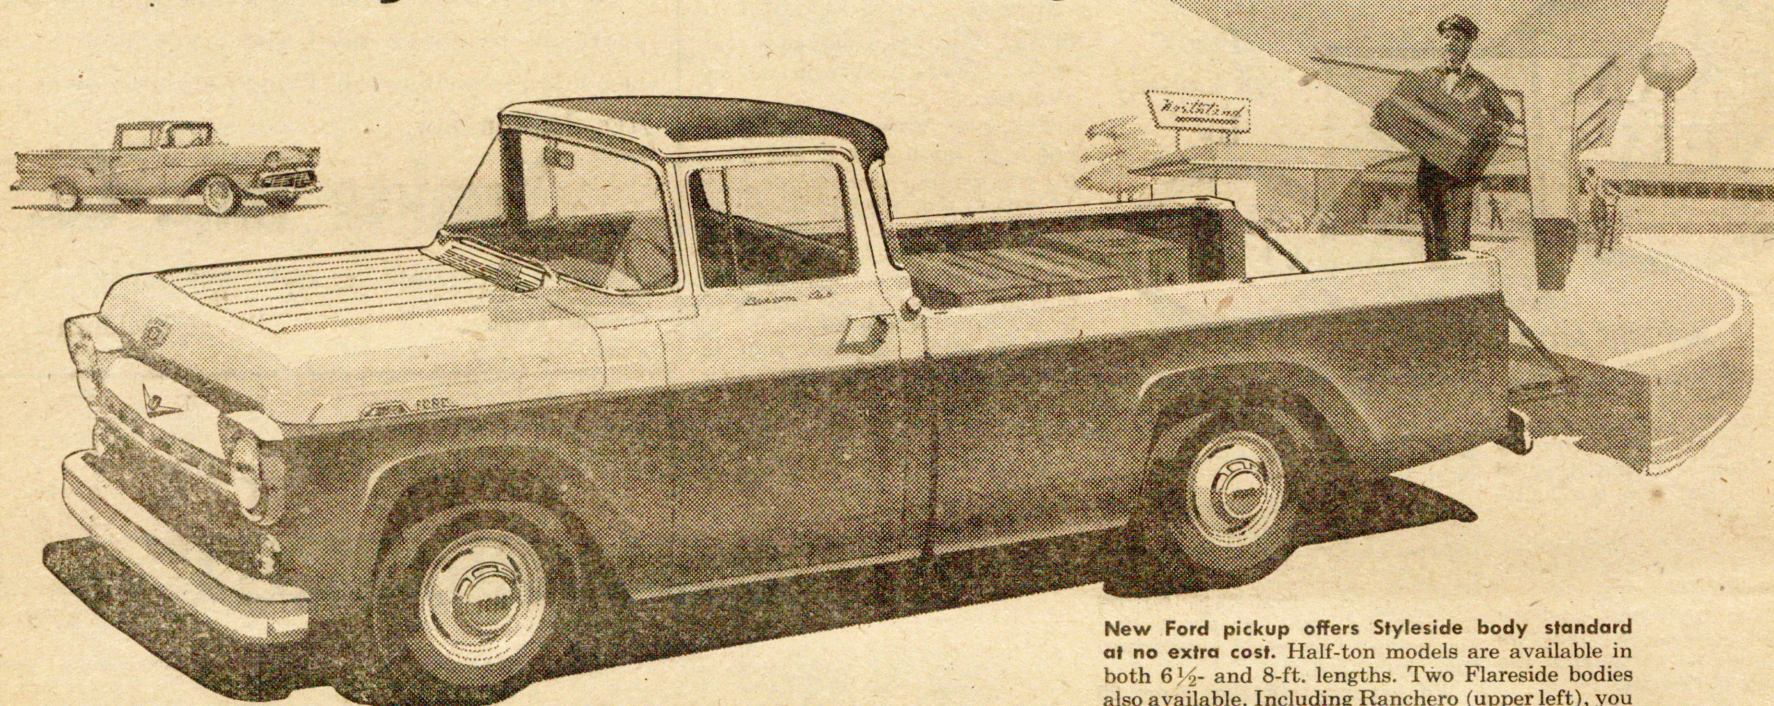

Earl Dieken has been confined to his home with the mumps since last Friday.

New boldly modern Ford Pickups for '57

New Ford pickup offers Styleside body standard at no extra cost. Half-ton models are available in both 6½- and 8-ft. lengths. Two Flareside bodies also available. Including Ranchero (upper left), you have choice of five ½-ton Ford pickups for '57.

LOOK again!

Only '57 Fords give you all these modern features!

See 'em today!

Ford's new smart-looking Styleside body is *standard at no extra cost*.

Its fresh new design is functional, provides easier side-loading . . . gives you the biggest pickup body in the half-ton field. Beneath this sleek exterior is a deep-down newness that runs throughout the truck.

New engines have higher horsepower, higher compression ratios, new carburetion, plus many other engine refinements.

NEW Styleside pickup bodies, standard at no extra cost. America's biggest pickup bodies! Wider, with all-steel box-section corner reinforcements and recessed taillights. Side loadings far easier.

NEW cabs—stronger, roomier, smarter! New wider full-wrap windshield. New inboard cab step, new Hi-Dri ventilation, new easy-to-read instrument panel!

NEW riding ease! Completely new chassis suspension, with new type softer-acting, rubber-cushioned springs . . . big roomy cab, improved visibility . . . give you riding and handling ease that's mighty close to that of a passenger car.

Ford's completely redesigned suspension and new, more comfortable Driverized Cab give you a ride that's mighty close to that of a car. And for chassis durability there's a new stronger frame, and new sturdier front and rear axles.

See the handsome new 1957 Ford pickups at your Ford Dealer's today. They're so modern you've just got to see what they can do!

NEW hydraulic clutch, standard in all models from pickups to tandems. Easier to operate—works like hydraulic brake. Clutch and brake pedals are modern suspended type for extra driving ease!

NEW power advances! New higher horsepower, new freer breathing, higher compression. New advancements from camshafts to carburetors! Only Ford offers modern Short Stroke design engine, in a V-8 as well as a Six.

NEW Super-Filter air cleaner stops 90% of the dirt that would get through ordinary cleaners. Dry element is reusable—just tap it on a firm surface to clean it!

For '57 and the years ahead—

Sweet, smooth and sassy—that's Chevrolet all over. Above, you're looking at the Bel Air Sport Coupe.

*Clings to the
road like a
stripe of paint!*

The '57 Chevy can give lessons on taking curves and holding the road to just about any car going. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

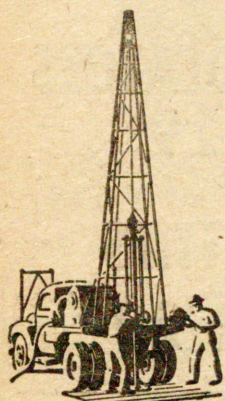

A car has to have a special kind of build and balance to keep curves under control. And nobody outdoes Chevrolet in that department! It "corners" with all the solid assurance of an honest-to-goodness sports car. Chevy doesn't throw its weight around on turns because it carries its pounds in the right places.

And if the road should turn upward, Chevy can take care of that nicely, too—with up to 245 h.p.*

Come on in and take a turn at the wheel of a new Chevrolet.

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Mrs. Gladys Gore of Morris, was a guest of Mrs. Stewart Loëbe last week, and attended the Day Circle meeting of the WSCS at Wesley hall, Thursday, January 31.

Miss Clara Myrick will present a program on Americanism when the Orland Park unit 526, American Legion Auxiliary meet Friday, Feb. 8 at 8 p.m. The meeting will be held in the home of Emily Zerbs, past president on 143rd and Kean. All members urged to attend.

On account of the inclement weather in January, the Adult Bible class of the Orland Park Methodist church, postponed their meeting to February. The meeting will be held in Wesley hall Wednesday, Feb. 13 at 8 p.m. Members are urged to attend and bring a guest.

The Methodist Men's club will meet this evening, Feb. 7 at 8 p.m. in Wesley hall. Gene Bates, program chairman will speak on the theme, "The Barrier". All men are invited to attend.

Mrs. Robert Plastow will present a program on missionary at the regular Woman's Society of Christian Service meeting of the Methodist church, Feb. 14 in Wesley hall promptly at 1 p.m. Friends are invited.

Miss Augusta Peterson left last week via plane for Miami, Fla., where she will visit with friends for several weeks.

Billy, son of Mr. and Mrs. Eldon Nicolai celebrated his second birthday, Jan. 23 with a party for his cousins, aunts and uncles.

Mrs. Gustie Hallinan, Mr. and Mrs. John McIntosh of Palos attended the wedding ceremony of Mr. Milford Edwards and Beverly Hallinan, in Blue Island Saturday. Beverly is a niece of Gustie Hallinan.

The Feb. 11 meeting of the Orland Park Jr. Woman's club will begin at 8 p.m. in the home of Mrs. Victor Ebeling. A film, Highway of Hawaii, will be shown, arranged by Mrs. Ivo Mersmann, program chairman for the evening. A board meeting was held Jan. 21, Mrs. Clarence Creer, president presiding. A nominating committee and Spring dinner committee were elected. Plans were made for members to attend the 3rd district mid-winter meeting at Dolton, Feb. 8. The Orland Park Juniors will serve as hostess club. Club members met at the home of Mrs. Kenneth Bressler Jan. 23 to make puppets for hospitalized children.

Mrs. Karl Ekberg, president of Orland Park Woman's club, Mrs. H. Adele Cooper, past president, Mrs. Robert Horn and Mrs. Sherman Knox attended the third district Illinois Federation of Women's clubs meeting, Jan. 29 at Ridge Park Field house. Mrs. Howard Bertram, president of the district introduced honored guests: Mrs. Ervin J. Heckel, president of the Illinois Federation of Women's clubs and other state officers. Mrs. Arthur I. Edison, administration director, told of the growth and

aims of the cancer prevention center", which was very interesting as many Orland residents have been thru the Center. Luncheon was served at 1 p.m. by hostess clubs, Evergreen Park, Harvey and Harvey Evening.

Fourteen former telephone operators from the Palos-Orland office formed a "Birthday" club and meet at each others home on their birthday. Friday, Jan. 25 they met at the home of Nellie Bly in Palos Park and made it a double celebration, honoring also the birthday of Rose Enders.

The Kingsley Owen family who resided on Raney's Lane, have sold their home and moved in Dec. to Prospect Heights. Mr. Owen is connected with the Uni-

versal Oil Products Co. and when they opened a new laboratory in DesPlaines, he was transferred there. Roy Benson now resides in the former Owen home.

Mr. and Mrs. George Gee are enjoying a southern vacation. They went to Phoenix, Ariz. to the home of his broth-

er, Mr. and Mrs. Joseph S. Gee. **THE ORLAND PARK HERALD** Together all motored to California where they stayed for a short time at the Town and Country hotel in scenic Mission valley at San Diego. **Thurs. Of course
she can
get along
without a
dryer

..but why - when ELECTRIC dryers
cost so little, are fume-free, fast and thrifty!

Just 6¢ will dry
a big load electrically!

One of the wonderful things about having an electric dryer is that your clothes come out as fluffy and sweet-smelling as if you'd had them in the sun all day.

No musty basement odor. No fumes. Just clean, dry, radiant heat—like the sun gives.

All electric dryers are fully automatic (a good deal more dependable than the sun). Fast, too. You can dry a load of cottons in 25 to 30 minutes—and for only 6¢ worth of electricity!

You'll notice that all the "no vent" dryers are electric. Heat, lint and moisture just disappear down the drain. Your laundry area stays clean, dry and comfortable.

Why not see your electric appliance dealer?

 Public Service Company

Big Saving—ask your dealer about our Share-the-Cost Installation Plan. It's the low-cost way to get the modern 100-amp home wiring you need for today's electric living appliances. The Plan is available to qualified home owners on terms up to 2 years.

If you own an electric range, you save up to \$25 on a new dryer! In fact if you have any 240-volt appliance your home probably has modern wiring already. This means the complete, installed price of your new electric dryer will be less than any other kind.

offers many opportunities as we are presently in what will likely be termed by history as a "scientific revolution." What economic history terms the "industrial revolution" is usually said to have started with the invention of mechanical looms of cloth and death of the so-called "cottage industry" where looms were done in homes as they could spare the time from agriculture activities. Future generations will look to this one as having had large and numerous opportunities.

The Chase National bank has recently published a special booklet titled, "Moving Ahead With the Atom." The booklet predicts that all ocean going vessels built after 1960 will be atom powered. The booklet points out particularly that oil tankers which spend about 90 per cent of their time at sea, will be among the first to be powered by nuclear energy. It is usually assumed that oil tankers use the equivalent of 10 per cent of their own cargo on a trip from the Middle East to New York.

Going into 1975 in the field of electricity, the booklet predicted that the country probably will have a total installed nuclear electric capacity of 80 million kilowatts. This is about two thirds of the steam and hydroelectric installed plant capacity to day. The booklet further states that after 1975, it may well be that all new electric generating capacity will be nuclear.

The booklet, however, points out "this does not mean that coal, oil and natural gas consumption after 1975 would not continue to increase substantially where these fuels are used as direct sources of energy, although their over-all relative importance would decrease."

The above is merely a portion of the changing industrial picture which science has brought about. The manufacturers of electronic controls are important factors in today's industrial world and will become even more so.

Today the investor has a great advantage over his grandfather in that small investor can follow investment selections of the large aggregate of funds invested by the Mutual Funds, Pension Funds, and other large institutional investors. These institutional investors employ experts in various fields to aid in making selections for placement of their funds. Their selections are published in various journals.

These large investment organizations consider security first with current income and growth as additional factors. The 20 largest of the Mutual Funds reporting at the close of 1956, showed the following as the ten largest industry holdings. These are listed followed by the percentages in each industry. These leading industries represent about 70 per cent of their funds: Oils, 16.7%, Public Utilities (including telephone), 9.6%, Financial (including banks and insurance), 9.0%, Steel, 5.9%, Chemicals, 5.8%, Metals & Mining (exclusive of steel), 5.4%, Railroad, 5.3%, Paper, 4.2%, Natural Gas, 3.7%, and Building Materials & Equipment, 3.6%.

Lists of the specific selections in these industry groups are available.

A University of Illinois dairy marketing specialist says that decisions made now for more or less government control will dictate whether or not dairying will be profitable in another 25 years.

Harvey Federal Savings Shows Large Growth

"Harvey Federal Savings and Loan Association, in a 1956 year end statement released today, reported total resources of \$17,676,902, highest in its 45-year history, and approximately \$3,700,000 higher than the association's 1955 figure.

According to W. H. Hammer, vice president, the association holds the largest block of savings of any financial institution of any type in the area. Insured savings accounts total \$14,260,136 a gain of more than \$2,000,000 during the year.

Mortgage loans of the association total \$14,580,323, some \$3,000,000 more than was reported at the end of 1955.

"We are still active in both FHA and VA loans," Hammer reported, pointing out that the FHA insured home loans total \$3,319,959; guaranteed veterans home loans total \$3,429,409; and conventional loans by the association amount to \$7,831,954.

Hammer explained that Harvey Federal's policy, in providing financial service to the community, is "to make available the loans that fit the need."

Harvey Federal also reported Home Improvement Loans of \$113,312. U. S. Government Bonds held by the association total \$2,148,535, and it has Federal Home Loan Bank stock of \$225,000, which makes available a line of credit of over seven million dollars.

Reserves and surplus, representing the difference between assets and liabilities, and set aside as an added safeguard for the association's savers and investors, total \$895,577.

Harvey Federal's building, land, fixtures, and equipment, valued in excess of \$100,000, are carried at only \$1.00, having been paid for out of earnings.

"We are proud of the fact that we own no property other than our office building and parking lot. It reflects on the considerable care with which we make our loans", Hammer added.

Will Show Movie Dealing With Special Schools

A movie, "For Those Who Are Exceptional," which shows special education classes in Illinois public schools, will be shown to the Council for Handicapped Children (South Suburban Area) at 8 p.m. Friday, Feb. 8. The meeting will be held at Blackhawk School, 139 Blackhawk, Park Forest.

The sound and color film was created by a south suburban educator, Supt. Franklin W. Nevosaid of District 170, Chicago

Heights, under auspices of the Illinois Division of Education for Exceptional Children.

Parents of all handicapped children in south suburban communities, as well as all others interested, are invited to attend the meeting.

With scenes showing actual classroom situations, the movie explains how school programs are adapted to the needs of children with physical, visual, deaf, oral, speech and mental handicaps. It also shows teaching of homebound and hospitalized youngsters, and the visiting counselor program.

Cupid Has Brisk Year, Clerk's Records Show

Dan Cupid collected \$10,960 more in fees for Cook county in 1956 than the year before, according to the annual report of County Clerk Edward J. Barrett. This he did through the sale of 44,170 marriage licenses, for \$220,850, which was 2,192 pairs of victims more.

Total collections of the county clerk for 1956 were \$1,109,269, but it included \$429,956 quadrennial assessment fees only collected every four years from the county treasurer.

Other fees were up \$86,401, including \$35,956 more from the County court, which had increased business that brought in \$200,465.

Nothing was received for handling \$405,628 in support payments by Cook county residents for persons outside the state, totaling 1,006 cases compared to 45 in 1952.

CUPID CAPERS

"Cupid Capers" is the theme for the sophomore-sponsored dance to be given February 11 from 8:00 to 11:00. Don Corano's orchestra will provide the music. It is a "turnabout" dance which allows the girls to ask the fellows. Tickets will be sold beforehand at \$1.00 per couple and 75c a single person.

FHA GIVES DINNER

A ham dinner was served to twenty-two Plainfield FHA members, by the Lincoln-Way chapter on January 26 before the Plainfield-Lincoln-Way basketball game.

FHA emblems were used as

name tags and the seating arrangement was decided by matching two halves of a "Dennis the Menace" cartoon.

On Jan. 30 the FHA junior-senior officers were entertained at a meal served by their boy friends. A Valentine theme for decorations was used. Except for the chicken, the boy-friends prepared the meal of chicken, potatoes, vegetables, rolls, and dessert.

FUTURE NURSES

The Future Nurses of Lincoln-Way traveled to the Cook County hospital in Chicago, Thursday, Jan. 31. They were accompanied by Miss Mary Don Butzback and Mrs. Alice Gorman, sponsors, and Mrs. Dorothy Kinney. Plans included touring the hospital and eating lunch in the hospital cafeteria.

REGISTRATION

Registration for next year is being planned for the Guidance groups for the week of Feb. 11-15. At that time, students will plan a "four-year program", thus enabling them to receive maximum benefit from the courses they choose for their after graduation plans from high school.

A copy of the plan will be taken home for parents to sign after they have approved it. It is hoped that parents and students will work closely on helping make plans for the future.

ALPINE

Mrs. E. Mrosek
Fieldbrook 9-2841

Ten Alpine mothers participated in the 1957 Mothers March on Polio, Jan. 31. Traveling in couples by car they managed to call at most of the rural homes and business places between Wolf road and 80th ave. from 159th street south. The eagerness of parents, grandparents and even children to contribute to the fight against polio was impressive. Total contributions from the district described was \$106.67. Participating in the Mothers March were: Mrs. Raymond Knieriem and Mrs. Norman Strassenburg; Mrs. Owen Maue and Mrs. Harwood Stellwagen; Mrs. John Lohmann and Mrs. John Cruise; Mrs. Charles Bezdek and Mrs. Henry Felsch; Mrs. Stuart Culp and Mrs. Edw. Mrosek.

John Cruise and Roy Walker, who is chairman of the Cub Scouts of pack 218, will call at homes in Alpine between one and four pm. Sunday afternoon, Feb. 10, for donations which will be used for Cub Scout activities and projects.

More than 250 persons attended the annual Boy and Cub Scout Blue and Gold banquet, held in the gym of the Orland

elementary school Saturday evening. A family style dinner, which had as its main course delicious baked ham, was served. Several short after dinner speeches were made following which fathers and sons engaged in a bit of hilarious play.

Three Cub Scouts of Alpine's den 5 were presented with their one year pins. They were: James Walker, Steven Koveikis and James Cruise.

Cub Scouts, den 5 of pack 218 held their regular weekly meeting in the John Cruise home Thursday afternoon, when they completed their project of making place cards for the Blue and Gold banquet.

Mrs. Chester Williams, president of the Carl Sandburg high school PTA, will be present at the Feb. 13 meeting of the Maue PTA to assist with the revision of by laws, which will be necessary before the new plan of holding only four regular meetings a year can go into effect. Attention will be given all PTA problems for which a change in or added by-law is indicated. All members are urged to be pre-

sent and offer any suggestions they might have.

The theme of the Feb. 13 meeting will be Founders Day Candles. The report of the nominating committee will be given. There will be a skit entitled, Our Country's Corner Stone. There will also be a cake walk. Hostesses will be the fourth grade mothers.

The Alpine Girls 4H club met in the Maue School Wednesday evening. The meeting was called to order by the president, Marie Meier. Talks and demonstrations for the year were planned. It was decided the club would

THE ORLAND PARK HERALD
Thur. Feb. 7, 1957 Sec. 2 Pg. 7

have a roller skating party at 2 pm. at the Tinley Roller rink.

All members enjoyed making artificial flowers. Mrs. Harwood Stellwagen, leader, gave the handicraft instruction. Games were enjoyed.

Kay Maue and Betty Jean Stellwagen were hostesses — Carla Kae Mrosek, club reporter

Orland Youth Finishes Course at Marine Boot Camp

Van E. Enblom, son of Mr. and Mrs. Eric Enblom of 14432 Okley ave., Orland Park, is

Van Enblom

scheduled to complete recruit training at the Marine Corps Recruit Depot, San Diego, Calif., today, Feb. 7. The 12 week course includes instruction in all basic military subjects and the firing of all basic infantry weapons.

Upon completion of training, the new Marines are assigned to Camp Pendleton, Calif., for further infantry training, or to one of the many Marine Corps schools.

Benedictine Nun From Tinley Gets Master's Degree

Sister Mary Remigia Smutnak, O.S.B. native of Joliet, received the "Master of Arts" degree from the DePaul university Feb. 3.

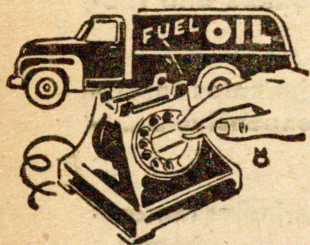

Sister is a member of the newly founded Benedictine convent of Tinley Park. At present she is teaching in the St. Michael school, Back of the Yards in Chicago. Besides teaching she is the Community School supervisor on the Archdiocesan school board. Her teaching career in the pasts has been broad and varied as she circled the schools of Berwyn, Cicero, Chicago and Wisconsin. She is moderator of the Community's Good Council club.

Sister Remigia is the daughter of the late Joseph and Veronica Smutnak. She was graduated from the SS. Cryll and Methodius school at Joliet and attended Joliet Township high school and the Sacred Heart academy. As a student of DePaul university she majored in the educational field.

Labor Day is the only national holiday recognized by Congressional action.

HOMER

Lockport, Ill.
Telephone Lockport 1387M

Mrs. A. C. Logan, Delaware, Ohio has been a house guest for the past week of Mr. and Mrs. Willard Rowley Sr.

The Homer Womans club will meet Feb. 13 in the home of Mrs. Ed Dailey with Mrs. Clarence Wies as co-hostess.

The Pilgrim Fellowship will meet Sunday, Feb. 10 at 3 pm. in the Homer church. Plans have been made for a roller skating party to be held at the Lockport roller rink Feb. 21. Tickets may be obtained from any member.

Mr. and Mrs. Otto Konow Jr. and daughter and Mr. and Mrs. Walter Konow were Sunday dinner guests of Mr. and Mrs. Hans Warholdt at Hinsdale.

Miss Mary Ann Filipowicz has been detained from her school work the past week due to illness.

Miss Violet Konow spent the week end visiting her sister, Mr. and Mrs. Clarence Douglas in Joliet.

The Country Charm 4H girls met Wednesday night, at the Firehouse. Plans for a Valentine party are underway. Hostesses were Miss Becky White and Miss Anna Beckett.

The Kings Daughters will meet today, Feb. 7 in the home of Miss Myra Reed with Mrs. Fred Trask co-hostess. Dessert coffee was served.

Mr. and Mrs. Owen Rowley are the parents of a son born Feb. 1. He will be a playmate to his brothers Bruce and Russell. The Rowleys live in Sweeney, Texas.

George Anderson, son of Mr. and Mrs. Bruce Anderson, suffered a fractured ankle when his

horse, Scout, slipped and fell while participating in a horse show Sunday.

Louis Habenicht is in critical condition in Silver Cross hospital following an automobile accident Saturday at 5 pm., at Rt. 4A and 151 st., Lockport.

The Rev. Harold Finley preached at Homer Congregational church Sunday, during the absence of the Rev. Mr. Muth.

Mr. and Mrs. Amos Conrad and children Cathy, Bobbie and Denise of Chicago were weekend guests of Mr. and Mrs. George Burcham and family.

Mr. and Mrs. Clarence Wies had as their Sunday dinner guests Mr. and Mrs. Ed Zegar and children Frances and Edward of Elmhurst, and Mr. and Mrs. Walter Konow and Mrs. Peter Wies.

Many Homer people are attending the Farm school which is held every Tuesday night at the Lockport high school.

Phone 4531 - New Lenox, Ill.

Laguna Woods

Mrs. Robert Anderson
Fleldbrook 9-2857

Many thanks to the mothers who marched against polio Jan. 31. Mrs. George Carroll and Mrs. Al Karre spent several hours collecting and contacting all the residents of Laguna.

Mr. and Mrs. John Tabbert's feeding station is not strictly for the birds or so it seems. The squirrels knock quite a bit of food from the feeders during the course of the day and early every morning a rabbit stops by

for breakfast. Mr. Tabbert, who keeps the three feeding stations full of food summer and winter has been well rewarded this winter as the Red Head and Downy woodpeckers, slate colored Juncos, black caped Chickadees and white breasted Nut Hatch have been constant customers.

The Cub Scouts of den 3 visited with Daryl Ward of Worth in lieu of their meeting last week Daryl, who is a Cub Scout, is recuperating from an automobile accident. Each boy sent a get well card too. It would be nice if the Cubs from the other dens would do likewise. Daryl's father is the assistant Cub Master for the entire pack.

Night skaters on the small

pond certainly appreciate the flood light Mr. Karre has installed at the edge of his property. No excuse for falling now!

Mr. and Mrs. Francis Woodbury and their three sons are visiting the H. L. Woodburys. The Francis Woodburys are from Philadelphia, Penn., and are here for an extended visit as he hopes to find work in this area or in Chicago; the family are hoping to find a farm house for rent in the vicinity of Orland Park.

Several of the ladies of Laguna who were unable to attend the coffee given by Mrs. Manos today were her guests yesterday afternoon for coffee. The guests

who visited with her Wednesday were Mrs. J. Tabbert, Mrs. H. L. Woodbury, Mrs. Francis Woodbury and Mrs. R. Anderson. (Henceforth Mrs. C. Manos will probably be known as the Perle Mesta of Laguna.)

Big Clue: All of these cars need the Oil-Plating protection of...

CONOCO all-season Super Motor Oil

Conoco all-season Super ensures full-time protection against both friction and corrosion. Oil-Plating® "plates" a tough film of lubricant onto the entire engine. It never drains down . . . even overnight! Result? Faster, friction-free starts, as much as 80% less engine wear.

Automatic Warm-Up!

Even a good premium oil stays "thick" for the first 5-8 minutes, causing engine 'drag', carbon formation, and extra fuel consumption.

But—with Conoco all-season Super, warm-up's automatic . . . the second you start. You save up to 3¢ a gallon, get Oil-Plating protection 24 hours a day!

New cars deserve—all cars need—Conoco all-season Super. Ask your Conoco Dealer for—the oil in the can with the Gold Band!

Quiz Answers: (a) Chevrolet Bel-Air Sport Coupe (b) Imperial 4-Door Southampton (c) Mercury Montclair Phaeton Sedan (d) Nash Ambassador Country Club.

Makes a powerful difference in your car's performance
... regardless of make or year!

(Editor's Note: This is one of a series of articles prepared by local clergy designed to produce greater church attendance between now and Easter.

The Declaration of Independence states that "men were endowed by their Creator with certain inalienable rights."

America today sets an example for all the world by guaranteeing these rights to every citizen. First among these is the right to freedom of worship. A right may fall into disuse, disuse may result into atrophy, atrophy results into nullification. Allow not your freedom of worship to be nullified by disuse.

With uncertainty and strife threatening so much of the world today, we have greater need than ever to affirm the spiritual faith on which this nation was founded.

"The Answer Is God." Go to church every week.

Thought for the Day Lincoln Estates

No man, having put his hand to the plough, and looking back, is fit for the kingdom of God (Luke 9:62.)

Polycarp, the martyr, was put to death by pagans in A.D. 156. He must have been familiar with this text. Early in life he decided to follow Jesus. Nothing could induce him to do otherwise.

In modern times, many African Christians, facing the terror of the Mau Mau movement in Kenya, decided not to forsake their faith in Christ. Some have faced death in order to remain true. Their spirit and faith inspire others to the daily walk with Him.

Our text reminds us of the fields where the land is ploughed in single furrows, with a beast pulling the plough and a man guiding it. The man must closely attend his work. He must look ahead to his guidepost. If he looks back, his furrows will be crooked.

Having decided to follow Christ, let us put our hands to the plough. Even in the hour of death, we can look forward to victory with Him.

PRAYER

Eternal God, who hast sent Thy Son Jesus Christ to challenge and to guide us, we beseech Thee to make us worthy of His sacrifice for us. Strengthen us afresh in decision and in faith. Grant that we may not fail Thee, but go forward, looking unto Christ, our Redeemer and Guide. Amen.

THOUGHT FOR THE DAY
Faithful, diligent work for Christ is never in vain.

E. Keith Ditterich (Australia)

Carl Biggs, Fayette county farmer, produced as much as 96 bushels of corn an acre with a minimum-tillage system last year.

ZION LUTHERAN CHURCH

NEW LENOX

Dolores Anderson
Phone 3651

The Grace Episcopal church will sponsor a card party Saturday night, Feb. 9 in the parish hall starting at 8 pm. Pinochle, euchre and buncos will be played with prizes. Refreshments will be served by the Women's Guild. Tickets may be purchased from any Guild member or at the door. The public is invited.

The wedding of Miss Margaret June Merritt and Ward Keith Martin, son of the Kenneth L. Martins, of Williamsport, Pa., took place Jan. 30 at 7 pm in the Presbyterian church in Hollywood, Calif.

The bride, who is the daughter of Mr. and Mrs. Worth W. Merritt of New Lenox, was graduated from Grinnell college and is now a lieutenant j. g. in the WAVES. The groom, a navy lieutenant, is an alumnus of Bucknell university and Yale. They will make their home for the present in Los Angeles, Calif.

The Woman's Guild of the Grace Episcopal church will meet in the parish hall Thursday evening, Feb. 14, with Mrs. Irene Peterson and Mrs. Doris Book as hostesses.

The New Lenox Garden club will meet today Feb. 7 at 1:30 in the home of Mrs. Lawrence Carlson with Mrs. Wilbur Hassert and Mrs. Roy Fitzer as co-hostesses. The program on rose culture will be given by Mrs. Robert Bamber of Joliet.

Mrs. Evelyn Fenton entertained the members of her pinochle club in her home Wednesday. Mrs. Sylvia Chesmore will enter

tain the group at their next meeting.

Kent Engel led in the singing of the hymns at the MYF meeting Sunday night in the church. Mary Ellen Bean had the prayer and scripture and Mrs. Henry Engel was speaker. Plans were made for a social for the group to be held in the church basement Feb. 17. Karen Korista will lead the hymns for the meeting next Sunday evening. Sharon Vally will have the prayer and scripture, and Eleanor Pester will give the lesson. Mr. and Mrs. Henry Engel were sponsors of the group Sunday night.

Mr. and Mrs. W. W. Merritt left Thursday morning to visit their son and daughter in law, Mr. and Mrs. Roger Merritt in Georgia.

The Bluebird 4H club met Jan. 30 in the Lions den with their leaders Mrs. Ivan Archibald, Mrs. Jack Chestnut and Mrs. Irwin Termunde.

Mrs. Elaine Griffin led in practicing the songs that they were to sing at the Guardian Angel home in Joliet, where they visited Sunday afternoon. Numbers on the program that the girls presented on their visit to the Home were tap dances, baton twirling, Mexican Hat dance and Jeanine Peters and Carole Hammond gave a talk on 4H work.

The Bluebirds next meeting will be a Valentine party in the Lions den Feb. 13. There will be a Valentine exchange.

The annual Eastern Will County Council PTA Founders Day banquet will be held tonight, Feb. 7, at 6:45 in St. John's Evangelical and Reformed church in Mokena. A few tickets are still available. Anyone wanting tickets are asked to call Mrs. Walter Spiess at 8210.

Mrs. Worth W. Merritt returned last week from Boise, Idaho and California where she enjoyed a month's vacation.

Mrs. Dolores Wysock opened her home Thursday night to the meeting of the second Child Study club. Mrs. Etta Mae Brooks was co-hostess. Speaker was Dr. Thomas Chamberlin, DDS of New Lenox, who brought with him Dr. George Osterberger, D.V.S. of Joliet. The latter specializes in dentistry, and also gave an interesting talk.

Refreshments were served. The February meeting will be held in the home of Mrs. Helen Kokal, with Mrs. Helen Drake assisting.

The Royal Neighbors will meet Wednesday, Feb. 13 in the Lions Den for a box lunch at 1:30 pm.

A business meeting and a social will follow the luncheon.

Miss Barbara Sayers, and Miss Carol Smith have returned to their studies at the Northern Illinois university in DeKalb after spending the mid semester week vacation here with their families. The girls registered Monday for the second semester. VFW Post 9545 will meet in the Fire station on Church street this evening, Feb. 7.

The Womens Auxiliary to VFW Post 9545 will meet Friday Feb. 15 in the home of Mrs. Clarence Luther at 8 pm. All members are asked to please bring their banks for Child Welfare to this meeting. Mrs. Peggy Balbinot will be assisting hostess.

Mrs. Ernest Pfeifer entertained the members of the Amite Sewing club of Frankfort, in her home on Haines ave. at a card party, Tuesday night, Feb. 5.

The annual Founders Day program will be held at the meeting of the local Parent Teacher association Tuesday evening, Feb. 12 starting at 7:45 pm. in the Haven school auditorium.

For the program, a brief history of the national and local PTA will be given in play form, by the New Lenox Dramatic club. Hostesses will be the seventh grade mothers.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Woman's club will meet at the home of Mrs. John Hubler Thursday afternoon, Feb. 14. Mrs. Adella Sproat will assist the hostess. Dessert coffee will be served at one o'clock. The program will be under the direction of Mrs. John Hasibar and Mrs. Charles Elliott. Members are to bring comic valentines for their secret pals.

Mr. and Mrs. Roger Possely and sons Mark and Russel of Dundee, Mich., called on several friends in Marley Saturday. The Posselys are former Marley residents.

A 2-c Clarence Troutman returned Wednesday to O'Hare field from Wright Patterson air force base near Dayton, Ohio. He attended a six week training school there.

Jean Lauffer was a guest of Patty and Linda Bryson in their home near Mokena Saturday afternoon.

Mrs. Adella Sproat, Mrs. John Hasibar and Mrs. John Hubler attended the Will County Club League board meeting at the public library in Joliet Tuesday afternoon. Plans were made for project day which will be held at the Willow ave. Presbyterian church in Joliet Feb. 26.

The Marley BYF enjoyed a skating party Monday night on Bergs pond. Refreshments were served at the parsonage.

The Elwyn Reed family moved into their new home on 167th st. last week. Mr. and Mrs. John Kuse and daughters Jane and

ORLAND PARK HERALD
Thur. Feb. 7, 1957 Sec. 2 Pg. 11

Janet recently moved from Frankfort into the residence on the former Lauffer school property.

The Marley BYF will have a Valentine party at the church Monday night, Feb. 11. Activities will begin at 7:30 o'clock. The girls are to bring boxes containing refreshments for two, which will be auctioned.

The Freeman Fellowship will sponsor a Valentine party at the church Saturday, Feb. 16 at 7:30 o'clock. Everyone is welcome. Ladies are to bring sandwiches and a Valentine which will be auctioned.

A 1-c and Mrs. Robert Peterson of Two Rivers, Wis., Mrs. Dale Peterson and Laura Sue Peterson of Melrose Park were visitors Sunday afternoon in the Loren Sass home.

The Hadley Mothers club will meet in the school, Wednesday night, Feb. 13 at 8 o'clock. Hostesses will be Mrs. Cele Hasebar, Mrs. Muriel Reid and Mrs. Doris McCarthy.

YOU CAN INSURE THE WHOLE FAMILY IN ONE POLICY!

If you are among those provident people who make it a rule to add regularly to their insurance programs, you will find this special Family policy of Metropolitan's one of the greatest developments in Life insurance history.

You can insure not just yourself, but your wife and children under 18, all in one policy.

Not only that, but any children born into your family later are insured automatically, after age 14 days, at no additional premium.

The insurance on yourself provides important cash, loan, and other benefits; the insurance on your wife is Term insurance, but with a liberal endowment feature as well. That on the children is also Term insurance, but with this heretofore unobtainable provision-it can be converted at age 25 to permanent insurance in five times the amount of the Term insurance without a medical examination. This way you make it possible for your children to obtain a sizable amount of insurance when they grow up no matter what their physical condition might then be!

See your Metropolitan Agent; get the full details about this history-making Metropolitan plan; here is a plan made to order for rounding out both your own insurance program and also the programs for your wife and children.

METROPOLITAN LIFE INSURANCE COMPANY

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 5187

The WSCS of the Methodist church will have their regular monthly meeting Wednesday, Feb. 13, beginning at 1:30 pm., with dessert coffee. Hostesses will be Mrs. Adolph Ullrich, Mrs. Richard Borms and Mrs. David Dralle. "Whom Shall I Send" is the topic of the program. The chairmen will be Mrs. Irvin Rehberg, Mrs. Charles Krapf and Mrs. Fred Bettenhausen. Plans are underway for this group to hold the World Day of Prayer in the church Friday, March 8, with various other groups participating, as in former years.

The Educational commission

and the Family Life circle met last Friday in the parsonage of the Methodist church for the planning of a daily vacation bible school which will be held in the church from June 10 to 21. There will be five classes ranging in age from 3 years through the 8th grade. School hours will be from 8:30 to 11 a. m. each day with the final program on June 23.

Mr. and Mrs. David Dralle entertained Saturday night in honor of his parents, Mr. and Mrs. Edwin Dralle and their 35 wedding anniversary. Those attending were Mr. and Mrs. Earl Bettenhausen, Mr. and Mrs. Harold Ullrich and Mr. and Mrs. Ralph Dralle of Frankfort; Mr. and Mrs. Richard Oetter, Andres Mr. and Mrs. Otto Lankenau, Joliet; Mr. and Mrs. Carl Weber, Herscher and Mr. and Mrs.

Ervin Englehardt, Tinley Park. Pinocchio was the evening's pastime followed by refreshments. A purse was presented to the honored couple from the guests.

Mr. and Mrs. Albert Steinberg entertained at a family dinner in their home Sunday. Guests were Mr. and Mrs. Chester Steinberg and family of New Lenox and Mr. and Mrs. Earl Bettenhausen and daughter Marie Ann.

The Jolly Nine club met in the home of Mrs. Chester Steinberg Wednesday beginning with dessert coffee at 1:30 pm.

The Green Garden Home Bureau will have a Valentine party at their regular meeting this Friday, Feb. 8 in the home of Mrs. Ralph Smith. Co-hostesses are Mrs. Earl Smith and Mrs. Aaron Greenwood. Each member is to bring cookies and the recipe for them. Mrs. Betty Shinn, home advisor will give the major lesson on New Electric Cooking Equipment and the minor Program Planning.

The F men will have their monthly card party at the Green Garden town hall this Friday beginning at 8 pm. Ham sandwiches will be served by the officers. Public is invited to attend.

The PTA will have their regular monthly meeting Friday, Feb. 15, beginning at 8 pm., at the Green Garden town hall. A film will be shown on 'The (American) Farm Family.' Hostesses are Mr. and Mrs. Gilbert Sippel, Mr. and Mrs. Floyd Krapf, Mr. and Mrs. Leroy Bettenhausen and Mr. and Mrs. Alvin Erickson.

Mr. and Mrs. Frederick Uthe and family spent Sunday with his parents, Mr. and Mrs. Conrad Uthe at Orland Park.

Mr. and Mrs. Henry Kuse entertained Mr. and Mrs. John Kuse Jr. and family of Mokena at dinner last Thursday evening.

Mr. and Mrs. Christ Sangmeister and Miss Lauretta Mass of Joliet will be dinner guests of Mr. and Mrs. Henry Kuse this Thursday evening.

Homemaker Contest

Judith Hodges has been named the Betty Crocker Homemaker of Tomorrow in Orland Park. She received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating girls in Carl Sandburg High school.

Her examination paper now will be entered in competition with those of 503 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

Each state winner will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the runner up girls in each state. The school of the state winner receives a set of Encyclopedia Britannica.

The national winner will be named May 2 at the American Table banquet in the Waldorf Astoria hotel, New York city. The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. This year for the first time girls who rank second, third and fourth in the national finals will receive \$4,000, \$3,000 and \$2,000 scholarships respectively.

Science Research Associates of Chicago prepared and scored the examinations.

A forest plantation will produce saleable posts and pulpwood in a few years.
